

# WHEN CAN MY CHILD RETURN TO CAMPUS?

## Holiday Break Guidance

### Important Considerations:

- Travel is discouraged at this time by the CDC
- Large gatherings are prohibited by the state
- Avoid any areas that do not follow CDC guidelines of hand washing, masking, and social distancing

If your student develops COVID-19 symptoms and we are within 10 days of returning to school, email [health@epiphanyschool.org](mailto:health@epiphanyschool.org) and your child's teacher and division head and review our Symptoms Policy & COVID-19 Protocol Flowchart on our website ([epiphanyschool.org/fall-reopening](http://epiphanyschool.org/fall-reopening)).

If your student tests positive for COVID-19 or is a close contact of someone with COVID-19, email [health@epiphanyschool.org](mailto:health@epiphanyschool.org) and your child's teacher and division head.
