October News

Red Ribbon Week: Octber 23rd – 31st
Friday, October 23rd there will be a Red Ribbon Week assembly that is sponsored by Emperor PTA. Also, third graders will be having discussions, watching videos and activities on this very important week.

Emperor PTA
Please join Emperor's PTA! Emperor PTA is wonderful organization that is comprised of parents, teachers and staff that facilitate parental participation in helping the students and Emperor. So many of our Emperor activities for our students are possible due to the sponsorship of our amazing PTA.

Events

3rd Grade Pick Up Day
Tuesday, October 6th will be the next pick up day for 3rd grade from 7:30- 1PM. Please go through the Emperor driveway and go to your child's teacher's name box, and pick up your child's bag. Please just pick up your own child's bag. If you have ordered any Emperor Sprit Wear, there will be a note in your bag with directions for you come to the office

Library
Coming Soon! Emperor's Librarian Mr. Rodriquez, will be beginning a book check out for students. This check out will be similar to how your would order on Amazon to receive a book of your choice to read.

Halloween
This year, Halloween is on Saturday. Emperor is currently working on very fun activities that you can participate virtually. So, start thinking of some pumpkin designs and what you maybe a crazy hat. Stay tuned for details to come

Learning Focus

Language Arts
Students have been focusing on creating an organized narrative writing. Some of the key elements needed are: setting, characters, plot (problem) solution, conclusion.

♥*Details*: Words that are used to recreate an experience, feelings, or image to allow the reader to transport himself or herself into a scene.

♥ *Multi- word title*: Using two or more word to attract the reader.

♥*Hook:* Interesting topic sentence to begin your paragraph that grabs the readers attention.

♥*Transitions* : Using transitional and Temporal Words to begin sentences that a particular time, cause, or reason. Example: According to the Channel 5 News, the weather is going to be very hot.

♥ *Simple Sentences*: The most basic parts that make a sentence, a subject, a verb, and a complete thought. Example: The cat was black.

♥*Compound Sentences*: Consists of two independent clauses (a simple sentence) and have more than one subject, and more than one verb, and they are two complete thoughts joined together. Example; We want to go the library, but it is closed today.

♥ *Conclusion sentence*: Relates to the topic sentence for closure in a paragraph,

Math
All students, when solving math problems, need to show that they have read, drawn, and wrote equations with labeling, to show their math steps when solving all math problems. Especially when solving the following types of math problems.

♥ **Properties of Multiplication:**

♥ *Commutative Property of Multiplication*: The order of the number are multiplied does not change the product Example: $4 \times 5 = 5 \times 4$

♥*Associative Property of Multiplication*: The way in which numbers are grouped does not change their product Example: $(3 \times 2) \times 6 = 3 \times (2 \times 6)$

♥*Idenity Property of Multiplication*: The product of 1 any number is that number>. Example: $7 \times 1 = 7$

♥*Zero Property of Multiplication*: If 0 is multiplied by a number, the product is 0. Example: $11 \times 0 = 0$

♥*Area*: Length x Width (LxW). The total number of square units that cover a figure.

♥*Division*: To split in to equal parts or groups.
