

Dakota County Library

Resources for K-12 Learning

Use your library card

Online library card

Register for a library card online and get immediate access to electronic collections, including e-books, audiobooks and more.

Student cards

For schools participating in our student card program, your school district's three-digit number followed by your student ID provides you with instant access to online library resources.

Visit the library

Express library services

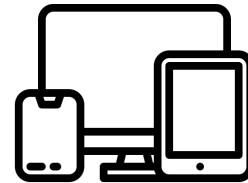

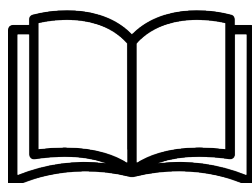

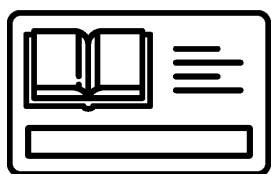

Drop by the library to find and check out items or use a computer. You can also use Curbside Pick-up to pick up materials, or apply for Books by Mail service if you are unable to visit the library.

Computer & Wi-Fi access

Computers, printers and scanners are available for use at all of our locations, no library card required. You can also bring your own device and use our free Wi-Fi to access the internet in our library parking lots.

Library books and materials

Browse and check out our books, world language collections, resources for English language learners, audiobooks and more.

See next page for online learning resources.

Dakota County Library

Resources for K-12 Learning

Learn online

Online homework help and tutoring

HelpNow provides online homework help and tutoring for kids in grades K-12 and college. Tutors are available from 1-11 pm daily.

FAFSA assistance

Online FAFSA assistance is available through HelpNow to assist anyone who needs help completing the FAFSA form for student financial aid.

Digital resources

Discover our wide variety of digital resources that provide access to practice tests, language learning, databases and more.

E-books and e-audiobooks

Browse a wide collection of e-books and other digital media using Cloud Library, Tumblebooks, BookFlix and other free services.

Learn with Lynda

Watch video tutorials on Lynda to learn a variety of skills and software including iMovie, 3D Modeling, coding, game design, and more.

Virtual programs

Our virtual programs cover a variety of educational topics including storytimes, STEM, nature, art and more.
