

Community Council Meeting

11/18/2020

3:45 pm

Agenda with Minutes

Welcome

Community Council Minutes 11-18-2020 held via Zoom

Mrs. Paras welcome, turn time to Nicole Andersen for agenda.

Review and finalize minutes from last meeting

Minutes from September reviewed by Robyn Sargent and approved.

Share Information Regarding Internet Safety Training Powerpoint

Internet Safety Training

District uses iBoss filtering for district devices including iPads, Chromebook/Cloud Book, and Dell laptops. Main apps are Skype, Mystery Science, Zoom, iReady, Nearpod, Utah Compose, Teams, Heggerty, McGraw Hill, Imagine Learning, and Canvas. Tech use to enhance learning and personalization. The district uses Net Safe Utah to train students in safety.

Discussion: Is the filtering appropriate? Yes. Is the education appropriate? Yes. Is parent education adequate? We discussed having Mrs. Paras email parents to let them know what resources are available to parents on the school website.

We also discussed biking safety and dim crosswalk lights at the east crosswalk. Mrs. Paras will look into these issues.

Review School Improvement Plan Goals for 2020 – 2021

Share Progress Toward Goals

Review School Improvement Plan Goals 2020-2021

1. Oral reading fluency. Our school is 3.6% behind results from last year with the transition from Kindergarten to first grade suffering the most. Mrs. Paras will look into the same transition data from other years. All actions items are in place for future success.

2. Math. We don't have end of level tests from last year to use. Also, because of Covid difficulties, we haven't been able to do math tutoring this year. Teachers are using grade level assessments to determine success and say that they do seem to be on track to reaching their goals. We discussed different tutoring going on from student to student. Also, teachers are available on Fridays for any students who need extra help.

3. SEL. Teacher development ongoing. Staff is reading Power of a Teacher. 3 tiers of teaching for students. First, all students receive lessons. Next is restorative practices and calm spaces if needed. Third would be very individualized work with the SEL committee. Student Hope Squad members will go in pairs during certain recesses with the objective to help those students who appear to need it. Mrs. Paras will bring up what our school is doing with her next Northridge Cluster meeting so the junior high and high school might get on board.

Adjourn

We discussed the Davis Education Foundation Christmas giving opportunity.

Next meeting January 13
