December 2020

Dear Parent or Guardian,

Please be advised that Parkland School District will participate in Keystone Assessments during the months of January and February. The Winter Wave of testing will be administered to those students who have not yet attained the level of proficient or advanced on a prior administration of the Keystone Assessment.

The Keystone Assessments are based on the Pennsylvania Core Standards. As such, they are designed to measure content based academic standards and our educational program. Additionally, the Keystone Exams in Algebra I, Biology and Literature are a graduation requirement for students in the graduating class of 2022 and beyond.

The schedule is as follows:

<b>Parkland High School Assessment Schedule</b>	<b>Middle School Assessment Schedule</b>
January 11- Algebra (Students A-E)	January 11 and 12 Algebra (Students A-L)
January 12- Algebra (Students F-L):	January 13 Algebra (Online Students)
January 13- Algebra (Cyber Students)	January 14 and 15 Algebra (Students M-Z)
January 14- Algebra (Students M-R)	
January 15- Algebra (Students S-Z)	
January 19- Biology (Students A-E)	
January 20- Biology (Students F-L)	
January 21- Biology (Students M-R)	
January 22- Biology (Students S-Z)	
January 27- Biology (Cyber Students)	
February 1- Literature (Students A-E)	
February 2- Literature (Students F-L)	
February 3- Literature (Cyber Students)	
February 4- Literature (Students M-R)	
February 5- Literature (Students S-Z)	

The current pandemic has created great uncertainty related to scheduling future events. If Parkland Schools should switch instructional methods to 100% online, please know that Keystone Assessments will not occur during such time. New dates will be selected, and information will be communicated out via School Messenger and Schoology.

Feel free to contact your child's guidance counselor or me if you have any questions.

Sincerely,

*Marjorie A. Evans*
