

COVID-19 TESTING

The following **academic medical centers** have their own in-house validated PCR tests that generally have fast turnaround times of less than 48 hours.

Mount Sinai Urgent Care

10 Union Square East Suite 2Q, (212) 844-6000
Mon. - Fri. 8am-8pm Sat.- Sun. 9am-5pm PCR Results in 24-48 hours

NYU Langone network, you may call them and they can order a test for you. Once the provider has ordered the test, use this number to schedule testing: 646-987-3525.

Mount Sinai network, you may arrange for a video visit with them and can be referred to a Mount Sinai testing site that has fairly rapid turnaround times. Virtual visit via Mount Sinai Now at <https://www.mountsinai.org/care/mount-sinai-now>.

New York Presbyterian also offers virtual urgent care visits for patients via <https://www.nyp.org/ondemand/urgent-care> and has an in-house testing platform.

Another option is to visit: https://www1.nyc.gov/site/coronavirus/get-tested/covid-19-testing_page or call the **DOH Coronavirus Hotline**: 855-491-2667. The **DOH has mobile units** around the city as well as other testing locations. You can request sites that have quick turnaround times.

At home, concierge PCR testing

This is an option for at-home, concierge PCR testing. Please note that this option does not accept insurance and has a higher out-of-pocket cost. <https://susannahkerwin.com>

ZocDoc

You can use ZocDoc to identify open appointments for COVID-19 testing at specific times with primary care physicians all around the city and surrounding area. By inputting your insurance information as well, you can further sort to ensure that the provider you select takes your insurance. www.zocdoc.com

*PLEASE NOTE: All estimates for the PCR test turn-around time are subject to change with increased demand
