**We kindly ask that you wear a mask when visiting the school office . Thank You.**

It has been another busy week this week, all the classes are now well emerged in their new topics and there has been some wonderful display work appearing around the school. We are noticing that many of the children are becoming very tired at the moment, getting back into school has been hard work. We have had a few families who have had to isolate, don't forget that if you need to isolate to let us know and access your child's work on the website, we will also bring paper packs to your house.

Don't forget it's crazy hair day this Friday!

Enjoy the rest of your week

### Santa's Sleigh

We are so excited to welcome Santa and his sleigh on our Christmas Dinner Day (16th December) to our playground. Unfortunately because of the pandemic Santa will be unable to greet children this year.

Rugby Rokeby Lions Club are often seen out and about with Santa so we will be asking for small donations for them. They help support the local areas in various ways such as providing the wheel-chairs at the railway station and much more.

**We want to make this day as festive as possible so please send children in with their best festive outfits on!**

### Confidential Help Line

Parents now have the opportunity to confidentially text Warwickshire School Health and Wellbeing Service on a dedicated Parent/Carer text number with any concerns they may have about their son/daughter's health and wellbeing.

**The text only number is: 07520619376**

### What Have We Been Up To?

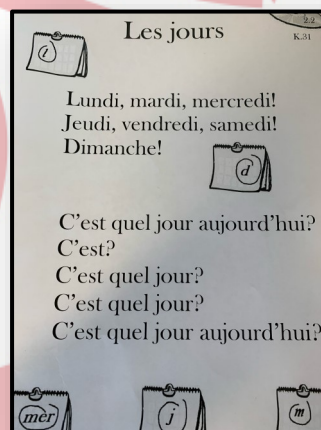

**Year 5:** Year five have been doing some amazing science experiments on solubility. So far they have tested which materials are soluble or not and are currently carrying out an experiment to try to recover salt from water once it has been dissolved.

**Year 6:** Mrs Allen's class have been really enjoying their French lessons. They are currently learning days of the week and the months of the year. To help them remember, they have been learning lots of songs.
