School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Continuous development and implementation of a strategy for the effective use of play spaces and outdoor play equipment aimed at increasing the number of opportunities for children to be active throughout the day and leading to all students being able to experience high quality play and being supported in undertaking the active 30 minutes within a school day.	Ensuring innovation with regards to the effective use of outdoor space in order to provide maximum opportunities for all pupils to be active throughout the school day. Ideas to include creation of activity zones in the field, installation of an astro-turf strip aimed at encouraging all children to increase their time to practise gymnastics and installation of a double air-walker/cross trainer to be used both in and out of PE lessons. New investments to allow for maximizing students' participation opportunities while operating in	£10170	An increased number of young people accessing opportunities to be physically active and to actively play each school day. Conclusions based on playtime observations and behaviour log showing less incidents of poor behaviour due to high levels of engagement by pupils.	New investments to positively impact on the level of physical activity time undertaken by all young people both this academic year as well as in future contributing towards supporting all pupils in achieving the Chief Medical Officer's guideline of being active for 60 minutes a day.

	'bubbles' format and while school playground is out of action for the on-going building works as well as beyond.			
	Investment into new and additional play equipment (allocated bag of equipment per 'bubble') in order to ensure safe access for pupils in all 'bubbles' and across all activity zones at both break time and lunchtime.	£1000	All young people to be able to access their allocated equipment from Autumn Term.	Appropriate checks and sanitation of the equipment to be carried out after each use to ensure maximum safety.
	Further development and implementation of Sports Leaders Training Scheme aimed at teaching young people to take responsibility and ownership of planning and delivering high quality fun sporting activities. This would lead to the Sports Leaders' involvement during breaks and/or lunchtimes in order to maximize activity time for all students and demonstrating effective use of the outdoor play areas and play equipment. This initiative is crucial in ensuring high activity levels among all pupils in these challenging times. Training of Sports Leaders across different year groups will enable successful implementation across the 'bubbles'.
