

## MANSFIELD INDEPENDENT SCHOOL DISTRICT

*A Destination District Committed to Excellence.*

November 13, 2020

Dear Mansfield ISD Parents and Staff Members:

I want to start by thanking all of you for working so hard to make this school year as successful as possible. We're in the middle of our third six weeks, and none of this would be possible without the collaboration and hard work being done by the entire community.

This year is certainly one like no other. As COVID-19 cases rise in our area, please know that we are constantly monitoring the situation. I have seen and heard rumors circulating about Mansfield ISD schools being shut down or deciding to go 100% virtual after the upcoming Thanksgiving Break. These rumors are false.

District administration has not made that decision, and there is no order in place requiring us to do so. Although case numbers are trending up around us, Mansfield ISD continues to investigate each and every case and continues to work with Tarrant County Public Health (TCPH) to reduce the spread in our district. Please view the district's [COVID-19 Dashboard](#) for the most up-to-date information.

Right now, we are staying the course and allowing our families to choose the mode of instruction that best fits them personally with our two learning options—in-person and virtual. We will continue to follow the [heightened safety measures](#) in place to keep our students, staff and families safe. If anything changes, we will be sure to communicate that with the community accordingly.

Thank you for your continued support, and I hope you all have a safe and enjoyable weekend.

Sincerely,

Dr. Kimberley Cantu  
Superintendent
