**2020 – 2021  
ANNUAL FUND  
GIVING GUIDE**

# \$50

## **Supplies for art classes**

Part of our fine arts curriculum, art classes expose students to painting, drawing, textile arts and more.

## **Cleaning Supplies**

The health and safety of our school community is our topmost priority. We clean classroom desks in between each class period and ensure high-touch surfaces are wiped down throughout the day.

# \$100

## Digital Thermometer

Our added safety measures this year involve daily temperature checks for students, faculty and staff, as well as visitors. Digital thermometers help us keep everyone safe.

**\$250**

# Yearbook

The Annual Fund helps provide a yearbook for every IWA student. This student-driven publication is a valuable keepsake for our students and alumnae.

## Morning announcements

Morning announcements are an essential part of everyday life at IWA. Your gift funds new technology to record daily announcements.

# \$500

## Transportation

Your gift helps us provide transportation to and from sporting events, field trips and more.

## iPads

IWA provides an iPad for each student. A gift at this level can help ensure an iPad for one student

## Lab experiments

Hands-on-learning is an integral part of the IWA experience. Your gift to the Annual Fund supports experiments in our biology, chemistry, physics and forensics science classes.

# \$1,000

## Young Women's Leadership Conference

Our Young Leaders Program sets IWA apart from other high schools. Every year, IWA partners with PwC for a day-long conference with discussions and workshops, which help our students gain valuable insights.

## Streaming services

Together, even when apart. Your gift provides new technology for the live streaming of all-school masses as well as home sporting events.

# \$1,500

## Class Retreats

Spirituality is one of the cornerstones of an IWA education. Class retreats are organized by the Campus Ministry Team, which is supported by the Annual Fund.

# \$2,500

## On-Campus Security

At IWA, we strive to be a safe environment for all. This includes providing security before and after school.

## 3D Printer

IWA's curriculum gives students access to state-of-the-art technology, including a 3D printer. The Annual Fund helps support licensing for important engineering software.

# \$6,098

## Tuition gap

Tuition only covers 72% of the cost to educate a student at IWA. The Annual Fund helps bridge this gap.

Your gift helps us continue our mission of providing young women with a rigorous college preparatory education rooted in the pillars of academics, values and spirituality.

**"When I give to the Annual Fund, I don't think of it as a 'school donation,' but as supporting the incredible teachers, the wonderful staff and, of course, our daughters."**
