

At a Special Meeting of the Board of School Directors held on November 23, 2020, the following resolutions were approved:

RESOLVED, the Board reapproves the Reopening Education Plan for remote learning originally approved on August 13, 2020, and directs that the District's schools move to the fully remote mode of learning, as described in such Plan, subject to adjustments deemed necessary by the Superintendent, beginning November 30, 2020 to at least December 11, 2020, and until the effective date of a subsequent resolution of the Board concerning a change in instructional mode. Certain programs for special needs students shall, as determined by the Superintendent, continue to be offered under the Hybrid/Cyber mode of learning. This resolution shall be recorded in the official minutes. Prior findings by and approvals from the Board are only rescinded to the extent they are inconsistent with this Resolution.

RESOLVED, that all athletic activities shall be suspended beginning November 30, 2020 until at least December 11, 2020, and until the effective date of a subsequent resolution of the Board modifying this suspension.
