

**DAVIS SCHOOL DISTRICT
HOME RELEASE CONTRACT**

Students in Davis School District must have a full schedule in order to qualify for graduation. Students who are on track for graduation and who have more than the required 27 credits may choose to register for a Home release/NO CREDIT course. The following serves as a guideline, a disclosure to students and parents, and a contract between parents, students, and the school.

Failure to comply with the guidelines may result in a Loss Of Citizenship Credit and repeated non-compliance may result in disallowing Graduation because of a loss of citizenship credit.

Please review checklist of requirements with Parent/Guardian, and Student

- Students are to be on track at the time they register for Home Release.
- The student and parent/guardian are aware that Home Release is for NO Credit.
- The parent/guardian of the student takes full responsibility for the student's conduct, safety, transportation, and location during Home Release periods. Davis School District is released from this responsibility during Home Release periods.
- Students may not be on the campus of any Davis School during the periods for which they are registered for Home Release unless they are on official school approved business. This is to reduce distracting other classes and students.
- Students agree that if they are on the campus during their Home Release time, they may be given an "Administrative U" citizenship grade on the first occurrence. Repeated violation of this may result in trespassing citations and the student being denied participation at regular graduation exercises.
- It is recommended that students register for Home Release at the end of and/or the beginning of the day so that students will not have to come to school, leave school and then return again during the same day.
