Missouri Baptist University Advanced College Credit (ACC) Courses:

These courses are dual credit college courses. Chaminade students may choose to take the course for college credit or simply for credit toward high school graduation. Regardless of the choice the student makes, the course rigor and student expectations are designed as a college course, and compare to the rigor and expectations placed on students enrolled in the same course on the Missouri Baptist University campus. These courses are taught in affiliation with Missouri Baptist University. Chaminade faculty is adjunct instructors of Missouri Baptist University who are highly trained and accountable to maintain university standards.

If a student opts to take an ACC course for college credit, the grade they earn in the course will be recorded on an official Missouri Baptist University transcript. If a student enrolls as an undergraduate at Missouri Baptist University upon graduation from Chaminade their ACC college credit courses count towards their cumulative undergraduate GPA, and do not require a transcript request from Missouri Baptist University. ACC may also be

transferrable to other universities by requesting a transcript from Missouri Baptist University. Students are highly advised to check with their College Counselor regarding the transferability of the credit to an institution other than Missouri Baptist University. Chaminade students registering for ACC courses are rewarded with full access to university libraries at the time of their studies. Enrolled sophomores may register for fall and spring semester courses.

In order to be eligible for dual credit courses, participating students are required to be in full compliance with the MDHE - Missouri Department of Higher Education following requirements:

- a) Students in the 11th and 12th grades must have an overall minimum cumulative grade point average of 80% are automatically eligible for dual credit courses.
- b) Students in the 11th and 12th grades with an overall cumulative grade point average between 75% - 79% must provide a signed letter of recommendation from their principal or guidance counselor and provide written permission from a parent or legal guardian.
- c) Students in the 10th grade must have an overall minimum cumulative grade point average of 80% and must provide a signed letter of recommendation from their principal and guidance counselor and provide written permission from a parent or legal guardian.
- d) Students in the 9th grade must have an overall minimum cumulative grade point average of 80%, and score at the 90th percentile or above on the ACT, SAT, or a comparable nationally standardized assessment, and provide a signed statement of support from their principal and guidance counselor, and provide written permission from a parent or legal guardian.
