## **Shelton View Mission:**

*Shelton View is a caring, diverse community of students, families, and staff dedicated to creating a collaborative learning culture whose goal is for all to feel safe and valued, while ensuring academic and social success for all.*

Dear Shelton View Families,

Please allow me to share a quote I hold near and dear: "What lies behind us and what lies before us are small matters compared to what lies within us." [Ralph Waldo Emerson]. It describes "character" because it is not something one is born with, but the decision on how one chooses to act. Children are on a lifelong journey to define who they are. As the influential adults in their lives, they are constantly watching how we talk and walk-the-talk. May the gift of character-building be one of the most important presents you (and I) give our children this holiday season.

Sincerely,  
Bethel Santos  
Shelton View Elem. Principal

Please note that during this time of online schooling the Shelton View office is closed; however, we are available through email. Please email [svoffice@nsd.org](mailto:svoffice@nsd.org) with any questions, concerns, or absences.

Thank you for making our ASB Food Drive a success! We were quite surprised by the number of donations we received; the Kenmore Food Bank was overjoyed. Although 2020 has been both difficult and unpredictable, it didn't stop the Shelton View community from coming together to help others!
