

1611 Society

The **1611 Society**, named after the year the School was founded, celebrates the continuing generosity of our community. Members of the society support Charterhouse's pupils in so many ways, by providing the School with a regular and flexible stream of gift income which enables us to plan for the future and benefit generations of Carthusians to come.

There are two levels of membership: Headmaster's Circle and Member. To donate to the society, we invite you to become a regular donor and make a gift of either £1,611 or £161.10 through the course of the year. This can be done monthly or annually. Regular donations provide critical and continuous support for the School, year on year, whilst also allowing you to plan your giving.

In recognition of an annual gift of either £1,611 or £161.10 it will be our honour to welcome you into the **1611 Society**.

To make a gift online visit charterhousefoundation.org.uk or call the **Foundation Office** on +44 (0)1483 291759

It only takes **25 gifts** at Headmaster's Circle to fully fund a transformational bursary for 1 year

1611 Society Bookcase

Philanthropy has shaped Charterhouse throughout the centuries, and recognising our current supporters sends an important message to current and future Carthusians. All members of Charterhouse's **1611 Society** will have their names carved onto their own wooden 'book spine', which will be added to our 1611 Society bookcase, located in the School reception. An important and visible reminder of our ongoing thanks for the generosity of our community.
