

RCS Tutoring 20/21

We would like the opportunity to enhance and extend our students' learning at RCS. We are offering flexible tutoring sessions after school hours - 3:15 pm to 8:00 pm (Monday through Friday) and possibly on Saturdays (10:00 am to 3:00 pm). Tutoring will be conducted by RCS teachers.

The content of specific tutoring sessions will be determined by the tutoring teacher. Tutoring sessions will last for one hour. Sessions will be held via ZOOM. Groups will not be more than three students. If a student does not join their scheduled tutoring session, the session will not be made-up at a later time.

Parents can fill-out a request on our website or send a request to your child's teacher.

Please contact Dr. Karen Davis-Beggs for more information.
