**CLARIFICATIONS:**

- 1) There was a typo in the DEMO ROOF PLAN LEGEND included on sheets AD 1.1 and AD1.2 of Attachment J Drawings for the Hiteon Project indicating that the existing Pea Gravel Built-Up Roofing System was to remain. Consistent with the other applicable Drawings sections/elements, Specifications, and Solicitation Documents, this typo has been corrected to indicate that the Pea Gravel Built-Up Roofing System is to be removed. See CHANGES 1) of this Addendum 2, which revises the applicable Specifications Sheets accordingly.
