

Schools outreach programme of events

Every year we run a host of events. These have included:

- 90 minute sports workshops for up to 25 pupils with our Head of Athletic Development
- 90 minute DT workshops for up to 25 pupils with one of our DT teachers
- Primary School Maths Challenge competition with up to 12 teams of four, in conjunction with the United Kingdom Mathematics Trust
- Strength and Conditioning Masterclass for primary school pupils
- Primary school science competition and workshop
- Chaplain visits to schools to lead assemblies
- Sharing best practice sessions covering subjects including curriculum and timetabling, MFL, ICT and DT
- Specialist subject symposiums for Sixth Formers and staff
- Help with careers and university practice interviews for Year 11s and Sixth Formers

To register your interest in taking part in any of the above or future events please call Susan Kay on 01759 322626 or email kays@pocklingtonschool.com
