

Testing and Quarantine Protocols Updated December 2020

Students traveling/arriving after extended time away from campus with no known exposure to COVID-19

- 1st COVID-19 PCR test completed approximately 5 days or less before return to Jacksonville
 - Negative test result and no symptoms student can travel to Jacksonville
 - Test results shared with Director and appropriate Dean of Residential Life
- Student will quarantine at hotel (or Bartram Campus) two full days after arrival
- 2nd COVID-19 PCR test administered the third morning after arrival
 - Administered by school nurse or Mayo Clinic
 - Negative test result and no symptoms – student will move into the dorm and be out of quarantine
 - Continue to closely monitor student for 11 additional days

Parent and Family Stays

- All family members are symptom free with no known exposure to COVID-19
- All family members visiting will complete COVID-19 PCR test 5 days before travel/arrival
 - All family members are symptom free and receive negative test results for COVID-19
 - Negative test results shared with Director and appropriate Dean of Residential Life
 - Student may stay with family members off campus following these expectations:
 - Student travels in family vehicle with only family members who have been tested as detailed above
 - All family members are symptom free and have a negative COVID-19 test result
 - Meals eaten at home, outside, at a restaurant with outdoor seating only
 - If having visitors, all are masked, suggest eating meals outside, maintaining physical distancing
 - Essential outings for student—appointments etc.
 - Avoid gatherings of more than 10
 - No quarantine necessary for student when returning to dorm
- If it is not possible for all family members to be tested
 - Student will quarantine 2 full days at hotel (or Bartram) after visiting with family
 - COVID-19 PCR test administered the third morning after arrival
 - Test administered by school nurse or at Mayo Clinic
 - Negative test result and no symptoms, student will move into the dorm
 - Continue to closely monitor student for 11 additional days
