

Editor's Note
December 4, 2020

The first digitally published issue of the 2019-20 Impact Report had two omissions and three misidentifications. We are sorry for these errors and make every effort to get things right the first time.

This second digitally published issue now correctly includes **Molly Roach '74 as a Founder's Society** member. It also now includes a picture of the Class of 2020's **Chuqi Zhang** and identifies classmates **Heming Xi, Xihan Zhu** and **Zhe Su** correctly.

There were typographical errors in **Georgia Mitchell's** name and **Nanxizi Wei's** name in the senior awards.

Thank you,
Erin
