

Mint Chocolate Cake Mix Cookies

30 minutes • Yields 2 dozen

Ingredients

- 1 box chocolate cake mix
- ½ cup oil or melted butter
- 2 eggs
- 24 Andes Mints, unwrapped

Preparation

1. Preheat oven to 350 degrees.
2. Place all ingredients into a mixing bowl. Mix until well incorporated. Batter will be thick.
3. Spoon cookies onto baking sheet. Bake at 350 for 9 mins.
4. Immediately after taking the cookies out of the oven, place 1 mint on the top of each cookie and slightly press it into the cookie. Let the cookies sit for 2 minutes.
5. Take the backside of a spoon and gently spread the melted Andes mint around on the top of the cookie. Let cool for 20 minutes prior to serving.
