

6th Grade Registration for TMS for next school year 2021-22

All current 5th grade students attending our feeder Elem schools and living within the Timberline Middle School boundary will automatically be registered to start school in the fall 2021. There is no registration paperwork to turn in to the middle school office.

Registration Forms Survey: To request elective courses and PE class options, 5th grade families must submit this [Timberline 6th Grade Elective Registration Forms Survey](#) by December 18 at 4 PM. Link to survey:
