

Dear Parents,

Your son or daughter has expressed a desire to join the 2021 Rowland Hall Track & Field Team. Following is time-sensitive information regarding participation in our program.

Official practices begin Monday 11 January from 3:40 to 4:40 p.m. Please note that members of Rowland Hall winter sport teams are not expected or allowed to join track team practice sessions until their winter sport is completed.

It's now time to complete the online registration process, which includes the submission of all required paperwork. You will receive information on how to complete the registration process from our Athletic Department very soon.

The deadline for registration and submission of required paperwork is Friday 8 January.

A **Mandatory Parent Meeting** will be held **Wednesday 6 January from 6:00-7:00 p.m. via Zoom** (a link to this meeting will be sent well in advance). Please note that participation is not allowed until registration is complete and the parent meeting has been attended. **If you are unable to attend the January 6th meeting, please contact me so we can set-up an earlier time to meet.**

Daily practice sessions begin **Monday 11 January from 3:40 to 4:40 p.m.** and will continue on all school days until **Monday 1 March**, at which time we will be meeting from **3:45-5:30 p.m.** on all school days.

Please read the 2021 Track Team Disclosure, found on Register My Athlete, before the Parent Meeting. This will answer most questions you may have about our season. If you still have questions, please ask these during the parent meeting on the 6th of January.

Lastly, if your son or daughter has decided *not* to join the team this season, please alert me so you will not continue to receive emails about the 2021 track & field season.

I'm looking forward to an exciting and successful season of Winged Lion Track & Field and hope you are, too! Thank you in advance for your continued support of Rowland Hall Athletics.

Sincerely,
Mark Oftedal
Head Track & Field Coach
