Reconfirmation Meeting for 12-7-2020

Reconfirm instructional delivery method:

See below

Reconfirm how instruction will be delivered for each grade level:

Pre-Kindergarten: Jenkins and GSRP, in-person with safety protocols

Elementary (Grades Y5 - 6): Home-based (full Virtual) for students and parents who selected this option. Homeroom (Hybrid) for students and parents who selected this option will continue with remote learning through January 8th.

Middle School (Grades 7 - 8): All students remain virtual until the rate of daily infections decline and the infection rate declines or through mid-January. Once this occurs, within 1 week, building begins to phase in the Homeroom (Hybrid) students and continues to offer full online for virtual (Homebased) students. Consider staying remote until after January 8th or phased in after Y5-6.

High School (Grades 9 - 12): All students remain virtual until the rate of daily infections declines and the infection rate declines or through mid-January. Once this occurs, building begins to phase in the Homeroom (Hybrid) students and continues to offer full online for virtual (Homebased) students. Begin Workday Wednesdays for students currently at risk of not earning S1 credit, as identified by staff after we are permitted by MDHHS order to return to in-person instruction for grades 9-12. Consider staying remote until after January 8th or phased in after Y5-6.

Reconfirm whether or not the district is offering higher levels of in-person instruction for English language learners, special education students, or other special populations:
DCS has continued to increase the in-person services for special education students (per IEPs), ELL students and other special populations. However, we will move all programs to remote until January.
Document Public Comments:
None
