

Parent Bulletin Friday 13th November 2020

Dear Parents/Carers

Thank you to all parents for your support this week. It has been a difficult week for the school and the staff and students have been amazing. I would like to remind all parents that they need to have the **WEDUC** app so they receive up to date communication from school.

Details of how to do this are on our school website <https://www.slougheton.com/parents/weduc>. Enrolment codes were sent out to you over the half term and again last week by email. Please contact charlotte.munro@slougheton.com if you need help with this. From January this will be our sole method of electronic communication with parents.

Stay safe and thank you for your continued support.

Mr Collins

Headteacher

NOTICES

After School Childcare

There are a small number of spaces available in our after school childcare. If you are a critical worker and if you have no other after school childcare options the school can look after your child until 4pm. Contact Mrs Goodyear for further information: Catherine.goodyear@slougheton.com

Childcare in the event of a future school closure

In the event of any future school closure we intend to stay open during term time (8.30am - 3pm) for children who meet the government's criteria, a full list of eligibility criteria is here: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

- Children who have an Education, Health & Care Plan
- Children who have a social worker
- Children who are young carers
- Children whose parents/ carers are critical workers

Contact Mrs Goodyear for further information: Catherine.goodyear@slougheton.com

Active Movement Whilst at Home (Miss Dale)

For many of our parents, it may mean greater restrictions at home with the new national lock down, or once more having to use your home as an office space. As part of our parent support and work with Active Movement in Slough, we would like to supply you with ideas and information from the **Health at Home programme** developed by Active Movement. Here are two infographics for you to download. You can also visit <https://www.activemovement.co.uk/active-home> or contact peter@activemovement.co.uk for more information.

Restaurant and Corridors

As in most Communal Spaces outside School it is now a compulsory requirement for Students and Staff to wear a face covering in a number of areas in the School, in particular that includes whilst queuing inside one of our Restaurant Areas or Corridors. Face masks are therefore required for all Students unless they are medically exempt when they enter either of the two restaurants. If they are not able to enter the Restaurant as they are not wearing a face covering they will still be able to purchase a cheese sandwich at the old pasta king servery (Years 7, 9 and 11) or the food cube (Years 8, 10, 12 and 13) but will not however be able to purchase any hot food, desserts or sit in the restaurants

Medical Information

If your son or daughter has any medical issues, including taking medication during the day, please email medical@slougheton.com You will need you to complete an individual health care plan (IHCP) to ensure we support your child during the school hours.

If your son or daughter requires an Epipen or asthma pump please ensure they are in date and carried with them at all times.

Events week commencing 16th November 2020

Monday 16 - Friday 20th

Global Entrepreneurship Week

Should you require this communication interpreted in the future please email head.pa@slougheton.com
