

School District of Janesville
The Wisconsin Home Language Survey

This survey is required to be completed for every student enrolling in the School District of Janesville, regardless of race, ethnicity, country of origin, or any other demographic factor, including special education status. The information on this form helps us identify students who may need help to develop the English language skills necessary for success in school. English language proficiency (ELP) testing may be necessary to determine if language supports are needed by your child.

Answers will not be used for determining legal status or for immigration purposes. If your child is identified as eligible for English language services, you may decline some or all of the services offered to your child.
