## FROM THE CHAIRMAN OF THE BOARD OF TRUSTEES

It has been heartbreaking to witness the difficulties Lebanon faced this year. The economic and banking crisis created many new challenges for all Lebanese. These

problems were then compounded by recurring protests and a global pandemic, and then the country experienced a tragic and catastrophic explosion.

IC's faculty and staff responded admirably to these many disorders, and especially the need for remote learning. We are also proud of our Educational Resources Group which on short notice successfully launched a distance learning platform that meets the best international standards.

Although much remains to be done to continue to upgrade our campus, the most critical parts of our building program were completed before the beginning of these recent difficulties. We are thus well positioned for our students to benefit from state-of-the-art facilities.

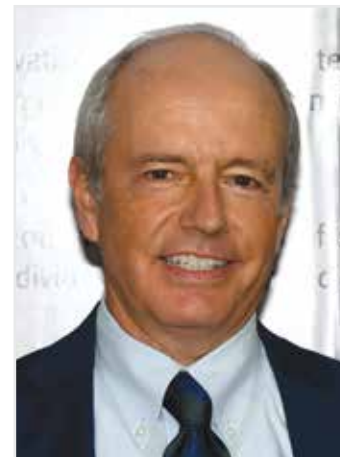

Currently, our biggest challenge is to provide funding for the growing need for scholarships. Many alumni, trustees, parents and friends spontaneously responded to this need with generous scholarship support, but much is still needed.

For the first time since the civil war, we will encounter a meaningful deficit. This shortfall, caused by the rapid and substantial decline in the lira's value and mounting dollar expenses, will need to be addressed next year. At the same time, we must attend to the dramatic decline in purchasing power seen by our faculty and staff.

Despite a difficult operating environment, we remain confident in our ability to provide our students with the best education possible.

We thank alumni, parents, trustees and friends for their past and continued support during these especially challenging times.

**Donald J. Selinger**

## FROM THE PRESIDENT

Dear IC Community,  
I hope that this letter finds you well and that your families are safe and healthy.

Since the war, schools in Lebanon have never had to face the number of challenges with which they were confronted during this tumultuous year. Our IC community was no

exception; like the rest of the country, we withstood a revolution, a massive banking crisis, the COVID pandemic, and the catastrophic explosion of the Beirut harbor. Despite these many challenges, we were not only able to adapt to these disruptive times, but also to rise to the occasion and thrive.

Thanks to the tireless commitment of our faculty, our administrative team, as well as of our Education Resource Center and IT department, both our online and hybrid teaching models set the standards for other schools in the country. Moreover, they helped to position IC as a leading school in online learning in Lebanon and in the Middle East. This could not have happened without the vision of IC Board of Trustees and of the IC administrative leadership who, despite the financial crisis, took the decision to invest in the necessary technology and professional development for the teachers, so that the school could deliver a first class online and hybrid education.

In addition to creating the right conditions for online teaching, the IC leadership and Board of trustees understood the necessity of expanding the support IC provides to its families. Thus, for the third year in a row, tuition was not increased for the 20-21 academic year.

Our tuition assistance program is also crucial to support our community, as well as to maintain and increase the socio-economic diversity of our student

body. Such a diversity is an integral part of the IC educational experience. Without it, the School could not fulfill its mission of educating well-rounded and internationally minded global citizens who appreciate cultural diversity and ultimately become responsible leaders in their communities.

With this in mind, for the past two years, the Board of trustees and the IC Administration have broadened IC's tuition assistance program. In 19-20 the School offered assistance to 30% more students than it had in the previous year. Again, this year, we have budgeted a 25% increase for tuition assistance. In order to achieve these numbers, the BOT and the administration took the decision to direct all fundraising activities towards the IC Annual Fund. This year, the Annual Fund will be solely dedicated to funding tuition assistance.

In doing so, IC is carrying on the tradition established since its founding in 1891. Indeed, since its beginnings, IC has supported thousands of students via the financial aid program and the Annual Fund. This could not have happened without the generosity of our donors, past and present.

Over the years, IC has lived through much political, economic, and social turmoil and has always proven to be a true cornerstone of education in the Middle East and a beacon of hope for Lebanon. It will remain so for many years to come.

A huge thank you to all those who gave last year and all those who are considering donating during the current academic year. Everyone here at IC, students, families, faculty, staff and administrators are grateful to you for your precious and invaluable support during these difficult times.

Four Programs, two Campuses, One School, One Heart!

**Joel Peinado**  
**President**

# ANNUAL FUND

Every year, International College relies on the support of the Annual Fund from its alumni, parents, trustees and friends. As is the case with many independent schools, tuition fees at IC does not cover full operating costs. Programs which give IC that margin of excellence have to be funded elsewhere, namely through private contributions to the Annual Fund. The Annual Fund is made up of yearly gifts that go directly into the operating budget and are earmarked for school enhancements including financial aid, faculty development and student extracurricular programs.

**First members of the AGC (year 2019-2020)**

**Mr. Fadi Ghandour facilitate a lecture during the students' first annual meeting to discuss the plans for the year 20-21.**

Established in 2019, the Ali Ghandour Center (AGC) for Leadership and Civic Engagement (AGC) marks the first community-based learning center of its kind at the secondary school level in the region. Jointly funded by IC and the Ghandour family -Raghida, Amal and Fadi Ghandour- the AGC offers an intensive leadership and dynamic citizenship program through a Community Engaged Learning (CEL) model. Spread over three years, starting with the 10th grade, the program mentors students through a sequenced journey, beginning with extensive volunteering with an array of grassroots organizations and culminating with students leading Community Service Projects (CSPs).

**“I AM IC” is a touching story of a school looking for a place it could finally call home.**

**Sold at Antoine Bookstores, IC Advancement Office and online at: [www.antoineonline.com](http://www.antoineonline.com)**

**All proceeds go towards the IC Scholarship Fund**

# EXISTING ENDOWMENT FUNDS

Gifts to the Endowment Funds create a principal that left intact will provide interest earnings on that principal. This interest provides capital for designated purposes such as scholarships, financial aid, special projects and ongoing support to the school. Donations may be made to any endowed fund in honor or in memory of a loved one or special person. A gift to an endowment fund is truly one gift that “keeps on giving”.
