December 2020: Issue 3

Social-Emotional Learning and Team Building

The Merrill Middle School M.E.L.T. program has prioritized Social-Emotional Learning this 2020-21 school year. We have set up our "M.E.L.T. Google Classroom" for our MELT students to join Monday-Friday from 3:37-5:30 p.m. There they will find Positive Affirmations and Art Activities for them to engage in. We hope this opportunity allows them to relax and have some FUN!

The Tipler/ALPS Middle School M.E.L.T program is doing its best to stay connected to the students and families during this crazy time. We have set up our "M.E.L.T. Google Classroom" for our MELT students to join in on Monday-Friday, from 4:00-5:30 p.m. There are fun games and activities for them to engage in. We hope the students will find some time in their busy school schedule to join in on the fun!

Webster Middle MELT...

HOLIDAY Wishes...

Merrill Middle School M.E.L.T. staff would like to wish all of Merrill Middle School Students and their families a Healthy & Happy Holiday Season.

Tipler/ALPS Middle School M.E.L.T. On behalf of all the staff, instructors and administrators, I would like to wish all of the ALPS/Tipler School Students

This program is funded in cooperation with the Oshkosh Area School District and the Wisconsin Department of Public Instruction 21st Century Community Learning Center Grant Program.
