About Us

Garlough offers a rigorous environmental studies curriculum emphasizing science, technology, and math for students in grades K-4. There is no other place like Garlough!

- #1 Garlough provides an environmental, nature-based education that weaves environmental education concepts throughout classroom lessons, routines, and expectations.
- #2 Garlough is home to an abundance of animals such as birds, hedgehogs, snakes, fish, and more!
- #3 Garlough's Outdoor Wonder Learning Stations (OWLS) support environmental education on school grounds.
- #4 Students participate in outdoor learning opportunities during all four seasons of the year.
- #5 Garlough's partnership with Dodge Nature Center provides numerous nature-based learning opportunities for students throughout the school year.

“We open-enrolled our children to Garlough because of the amazing, diverse culture, caring staff, and their dedication to outdoor education.”
— Samantha Carlson
