## SHREWSBURY STARFISH PLAYGROUP

We want the children's time with us to be as FUN and as SAFE as possible. For this to happen, it is important for us to remember a few things:

- **Children must be supervised by their own parent/guardian at all times** (Parents/guardians must stay at Playgroup for the entire session).
- Each parent is required to fill in the school's Health & Travel Declaration Form prior to attending Playgroup.
- Adult visitors must bring their passport to verify their recent travel history with our staff upon arrival at the school.
- We are not able to host any additional company such as nannies at this time.
- Adults must wear face masks at all times, and encourage their children to do the same.
- Maintain social distancing as much as possible.
- Adult toilets and changing stations are located next to the Children's Forum. Please let a member of staff or another adult know if you need to use the restroom and are not able to bring your child with you. They can help you with your child while you are away.
- If you have booked a place at playgroup and cannot attend, please call 02 203 1222 to cancel so that the place can be offered to another child.
- Please enjoy the refreshments in the cafe area in the Children's Forum. Please do not take cups, glasses or food outside this area.
- We finish at 11:30AM and we would appreciate you leaving the play areas promptly, so the space can be cleaned and used for afternoon learning at the school.
- Feel free to ask questions to any members of City Campus staff. Our Admissions team will be on hand to answer any questions regarding Shrewsbury's learning curriculum and our active learning approach.

Many thanks for your help and cooperation,

The Shrewsbury Starfish Team
