

Light our way . . .

Lord of Light,
You are wonderful and powerful! Thank You for
blessing us with Your grace which is worthy of awe
and wonder.

As we go through this challenging time of fear and
isolation, light our path with hope and
perseverance. Lord, equip us with your armor,
with *Faith* as our shield, *Leadership* as our
breastplate, *Scholarship* as our helmet, a Spirit of
Honor as our sword, and *Service* as feet fitted with
readiness.

God the Father, protect us

Holy Spirit fill our hearts

Christ be our light

To You be the glory forever and ever! Amen.
