

AN INVITATION TO APPLY
FOR THE POSITION OF
Superintendent

NEWARK CENTRAL SCHOOL DISTRICT
#choosejoy

ANNOUNCEMENT OF VACANCY

"The community and its schools are very close-knit and will provide an opportunity for a superintendent who is willing to embrace the challenges and lead."

The Newark Central School District seeks an outstanding educational leader with demonstrated administrative experience and accomplishments to become our new Superintendent of Schools. Our successful candidate will have a:

- Leadership style that genuinely promotes trust and supports a positive school culture and learning environment;
- Proven history of supporting and improving academic programs and student achievement through successful education reform;
- Strategic approach in supporting and enhancing our emerging educational priorities and student academic experiences for **Every Student, Every Day**;
- Deep understanding of a diverse school community;
- Strong work ethic and a practiced understanding of educational finance, curriculum and support services; and
- Excellent interpersonal, oral, verbal and media communication skills.

Residency is strongly preferred: our new superintendent will be immersed in the school community and an active participant. The Board of Education is prepared to offer a contract of \$150,000 to \$180,000 based on background and experience. We anticipate a February 2021 start date.

ABOUT NEWARK CSD

Newark Central School District is the centerpiece of our community, binding students, staff, families and neighbors through a profound sense of hometown pride. We engage all students with the diverse opportunities and academic experiences they need to reach their maximum potential.

Newark School District has two primary schools - Lincoln and Perkins serving students in UPK through second grade. Kelley School houses third through fifth grade. Our middle school and high school are on the same campus, in different buildings.

The instruction in all content areas is guided by the New York State standards. Each classroom provides an environment that builds foundational skills by means of a balanced curriculum. MTSS is an integral part of the district's commitment to support the wellness of a student, both academically and emotionally.

Our staff recognizes the importance of working with families and the community to create rich learning experiences for all students. We value partnerships among the home, school and the community. Our elementary PTAs are active groups of parents and staff members, collaborating to create opportunities for students and their families to actively engage in fun educational activities throughout the school year.

Newark students thrive in an environment of high expectations, collaboration and respect. Effective communication and sustained connections foster a sense of importance, contributing to student successes. Our entire school staff is highly committed to **Every Student, Every Day!**

OUR COMMUNITY

Nestled between scenic Lake Ontario and the picturesque Finger Lakes region, Newark is the population center for Wayne County, with 9,000 residents. Its convenient location is only 15 minutes from two NYS Thruway exchanges, making it easier to offer a full complement of services more typically found in larger communities. The NYS Erie Canal passes through the Village of Newark allowing boaters to travel through a scenic water route that runs from Albany to Buffalo, as well as dock at the T. Spencer Knight Park while enjoying several amenities.

Further, Newark incorporates a portion of the Canal Way Trail System that gives ample recreation for hikers, bikers or individuals that just wish to enjoy wildlife and quiet trails. Attractions such as restaurants, stores, bowling alley, skate park, hiking, etc. keep residents and visitors entertained and active. Newark is home of the Hoffman Clock Museum and a beautiful state-of-the-art Public Library.

Many parks offer relaxation and recreation in our beautiful village. The Alex Eligh Community Center hosts quality youth and senior citizen programs. Rural charm and city convenience merge in our municipality, which we feel offers a wide range of activities and attractions to satisfy the diverse needs of our residents and visitors.
