STEM Magnet

Get to know Pilot Knob!

- #1 At Pilot Knob, we have high expectations for our students and provide them with the opportunities, feedback, and positive support they need to be successful.
- #2 Our caring staff get to know every student and are committed to ensuring each child feels welcomed and cared for.
- #3 The Pilot Knob STEM Sparks enrichment classes ignite student curiosity and develop engineering skills such as critical thinking and problem solving.
- #4 Pilot Knob students get hands-on experience as they learn about planting, growing, and harvesting vegetables in the school garden.
- #5 Our students learn in an inclusive and diverse school community that promotes creativity, motivation, and deeper understanding.

“The enthusiastic staff at Pilot Knob are exceptional at drawing the best out of your child, teaching and helping them gain self-reliance along the way. We love Pilot Knob!”

— Dave & Liz Suchy, Parents
