# Winter Camp

## Baseball

The motto of the baseball program is "Compare and Persevere!" Campers will be encouraged to live that motto as they learn the fundamentals of offense, defense, pitching, and hitting. Campers will also be encouraged to exhibit trustworthiness and respect as they interact with coaches, parents, umpires, and others. Campers should bring their own water bottle, baseball glove, and they can bring a bat for the hitting portion of the camp, though it is not a necessity.
