About Us

We are a Somerset Family.
Every Moment Matters.

- #1 Relationships matter. Our staff is committed to building caring and supportive relationships with both our students and their families.
- #2 At Somerset, we believe in individual student growth. We meet students where they are at academically, socially, and emotionally and move them forward, instilling the values of leadership and kindness.
- #3 At Somerset, there is a true feeling of family. We build a community of learners, with warmth and dedication that is felt when you walk through the doors.
- #4 High expectations for all students is paramount to our instruction and leads to measurable results.
- #5 Somerset has a highly active PTA that facilitates community events, enrichment opportunities, and dedicated support to classroom teachers.

“In addition to being academically rigorous, we chose Somerset because of the faculty’s focus on kindness, supporting healthy self-esteem, and teaching children to be good humans.”
