**St. Philip Neri Church  
Catholic School Subsidy**

**Application Form &  
Program Policies**

**2021-2022**

**School Year**

For many years, St. Philip Neri Church (“SPN”) has strongly supported those parishioners that have their children educated in Catholic schools. SPN believes that we share in the teaching mission of Christ, and that Catholic education is an integral part of the faith formation of our parish mission. Just as those who have gone before us were called to nurture our Catholic faith through our formative years, we too are called to pass on our faith to another generation of God’s children and those who will come after us. As such, Catholic education is the responsibility of the entire parish community.

In our continuing effort to support Catholic education, we are pleased to offer a Catholic school subsidy to partially offset tuition costs (the “Subsidy”) for qualifying families that choose to provide a Catholic school education for their children during the 2021-2022 school year (collectively, the “Subsidy Program”). In partnership with Catholic schools in York County, SC and Mecklenburg County, NC, we hope to assist with giving our young people a solid faith-filled foundation as they develop their relationship with Jesus Christ.

The Subsidy Program assists families in meeting the financial demands of a Catholic education. The Subsidy Program, and the children that take part,

share with other vital parish organizations in the generosity of our entire SPN faith community.

### **Subsidy Program Policies**

- The Subsidy Program only applies to students entering kindergarten through the 12th grade for the 2021-2022 school year. Families are required to re-apply for Subsidy each school year.
- If a family registers at SPN during the school year, a letter from the applicant’s former parish must be submitted, indicating that the family has been active and participating in the former parish for a six-month period.
- The completed Application Form must be submitted to the Parish Office no later than February 28, 2021.
- Recipients of any Subsidy will be notified by March 15, 2021 via email.
- The receipt of a Subsidy enables a parishioner to be eligible for the participating Catholic tuition rate at the Catholic school where their child(ren) is(are) enrolled. Applicants must obtain a voucher or recommendation form from their school, complete the form as required, and submit it to SPN’s Parish Office for completion and approval by SPN.

### **Criteria for Qualification**

SPN parishioners with children that attend Catholic school may be eligible for Subsidy if the following criteria is met:

A family must be active in and participate in the life of the parish (collectively, the “Active and Participating Parishioner Policy”).

- Be a registered parishioner at SPN for a minimum of six months;
- Participate in the life of the parish through attendance at weekly Mass and Holy Days of Obligation and devoting time to daily prayer;
- Participate in the life of the parish by serving through active participation in at least one SPN ministry;
- Financially support the parish by giving a portion of your financial resources to SPN through the use of weekly envelopes or other identifiable means.

- A current 2020 Stewardship Commitment Card, distributed as part of SPN’s annual Stewardship Renewal Program, must be on file in the Parish Office.

### **Family-provided Parish Support through the Sharing of Talent**

Applicants for a Subsidy are required to take part in the stewardship efforts at SPN. Please list the ways in which each member of your family has shared their talents with the parish over the last 12 months.
