8 members present

\*\* Mr. Reynolds arrived at 7:48 PM

**4. APPROVAL OF THE AGENDA**

Mr. Bilker asked for a motion to accept the agenda, as presented.

Motion was made by Mrs. Harvey, seconded by Mrs. Tomasco

With no further discussion motion passed 8 – 0

**5. PUBLIC COMMENTS (Agenda Items Only)**

A community member wanted to thank the Board and Administrators for all the hard work they have done to get our schools opened and our sports teams playing. His concern is Elementary School, has not really done any research on Middle or High School. He does not believe that the hybrid is enough for the students at the elementary level since they have missed so much over the past months. He understood the reason for virtual due to the spike that was expected after Labor Day, which didn't happen. He noted that Wednesday is the day set for deep cleaning the schools. He stated that the CCHD no longer believes that the virus is contracted on surfaces or the source of the spread of the virus. He feels that Wednesday is a lost resource and would like the Board to consider opening the schools on Wednesday.

## **6. WE ARE PROUD OF OUR STUDENTS AND TEACHERS**

Dr. Kane gave the following report

Thank you to our teachers and students for working together in their virtual classrooms. There is a lot more synchronous interaction as compared to the spring. We appreciate everyone's flexibility and innovative spirit. Our teachers and students are working at all times to stay connected and progress.

## **7. COMMENDATIONS**

There were none

## **8. STUDENT REPRESENTATIVES' REPORT**

There were none

## **9. SUPERINTENDENT'S REPORT**

Dr. Kane gave the following report

We offered two weeks of in person tech support to our district community. We found this opportunity to be helpful for our families, students, teachers, and staff. Families can continue to reach out for help by submitting a work order. If parents have not created a parent account, please do so.

Five of our schools hosted their virtual back to school night, and the high school will be hosting tomorrow night.

With the phase from virtual instruction to hybrid in our schools, Principals will be sending out information providing details by the end of the week. They are happy to answer your specific questions regarding the building procedures.

We are planning two afternoons for each school to have an open house for our students to see their classroom before they return for the hybrid model. It has been seven (7) months since the students have been in the schools and our hope is by offering an opportunity for the students to visit the classrooms some anxiety can be reduced. At the middle school level the student will be able to walk around the building and practice reading their schedule. At the high school, new students and freshman will also be able to walk around the building and practice reading their schedule. Those details will be communicated by the building Principals.

**18. BOARD PRESIDENT'S REPORT TO THE BOARD**

Mr. Bilker made the following statement ~ he recognizes that parents are frustrated, as well as the students, teachers, administrators, and the Board is frustrated. I am really proud of the resilience, maybe because I am a Loomis parent, of the teachers, staff, and administrators of the school district. I realize that not everyone is having an ideal experience with this. The staff and the teachers have made the best of the situation, everyday gets better, making improvements. He gave an example of his daughter and how on the first day of hybrid all the students were talking over each other and how her teacher made adjustments so that this did not continue the next day. Everyone is looking forward to the day that we are all back in school full time.

**19. COMMENTS FROM THE AUDIENCE**

Dr. Killough wanted to thank the Board during the negotiations. We are all making the best of this situation and we will continue to do whatever is best for our students.

A community member with 2 elementary students made a statement that she thought it would be better to do every other day rather than have them on the computer for 3 consecutive days. Have deep cleaning done at night.

Response: The idea of 5 days was so that the students are apart from other students for a longer period of time, was considered for social distancing. We are always looking to revise once the numbers improve and we will look to come back more days.

Charlie from Transportation wanted to thank the Board for getting our schools open and wanted to thank the members of MNIEA for all their hard work, especially the bus drivers. Everyone is looking forward to getting back to normal.

Response: It does take a village. There are a lot of pieces to put together for all this to work.

Community member had a question about busing and when they would be getting the assignment.

Response: Transportation right now is like a moving target. We are presently busing to 110 private school, and 6 of our schools. There are hundreds of schedules that we are working with. The schedule for district schools will be sent out at the latest on October 1<sup>st</sup>.

**20. COMMENTS FROM THE BOARD**

There was none

**21. ADJOURNMENT**

With no further business for the Board, Mr. Bilker adjourned the meeting at 8:05 PM.

Respectfully submitted
