Virtual Choir Concert

VIMEO STREAM

Thank you for your support of the Choral Program during Remote Learning+. We truly enjoyed working with the students as we prepared for this virtual concert, and we are so very proud of their work. The pieces you will hear are a culminating part of our work this semester with all voices in each choir mixed in to the selections. Students were also given the option to include their videos in the pieces, and many chose to participate this way. We hope you enjoy our December Virtual Choir Concert!

Please excuse any errors and omissions in our program.

Thank you!

Alice Nuteson, Choral Director
Kirstin Snelten, Associate Choral Director
