Secondary Issue 14

Congratulations Spelling Bee

Congratulations to our SBAI Spelling Bee winners, 6th grader Esme Bohan and fifth grader Noah Anderson. They will compete in the district spelling bee January 29. Both campus bees were exciting and the students showed graciousness to their competitors. Everyone who had the courage to participate won by learning an important lesson in competition.

Congratulation Math Club

The SBAI Math Team beat the Fairgrounds Middle School Falcons from Nashua, NH 30 – 25. We are now in the Elite Eight of our bracket. Three more games to glory! The score comes from the top five player scores that week. If you've seen the movie *McFarland, USA* scoring is the same way. The five who scored the 30 points this week may be a different five next week or beyond. Great job team members, Morgan Abbey, Esme Bohan, Ben Guo, Jaeho Lee, Vincent McGuire, Stephanie Shen, Justin Tai, Bryan Ung, Kellen Wang, Ryan Wu, and Aaron Xiong.

PSAT and NMSQT Results December 8

When your PSAT/NMSQT scores are ready online, you'll get an email with instructions on [creating your College Board account](#), going to your [online score report](#), and using your access code to view your scores.

College Board Opportunity Scholarships

The College Board Opportunity Scholarships program guides you through the college planning process and offers you a chance to earn money for college for each action you complete. The more effort you put in, the more opportunities you'll have to earn. It doesn't require an essay or an application, and it doesn't have a minimum GPA or test score requirement. Scholarships can be used at 2- and 4-year colleges. Please see the flyer attached to the newsletter and watch [this video](#) to introduce the program.

SFMS Final Exams

Attached is the schedule for middle school final exams. Monday, December 14 will be a normal Monday schedule. December 15 – 18 will be block schedules. SBAI students will ride the bus between our two campuses each day. Friday is a full day.

Stratford Final Exams – New Details

Attached is the fall final exam schedule starting December 15. To maintain test security, all students will take final exams in person. Virtual students who are concerned about attending school should contact Mr. Lefeber and Ms. McIver to arrange afternoon exams. The student's teacher will not proctor the afternoon exams. The afternoon of December 16, and 17 are times for voluntary tutorials, in person or virtually however, attendance must be taken.

SFMS Basketball Tryout Dates:

Middle school basketball tryouts are scheduled for after Thanksgiving. Boys are December 7, 8, 9, and 10. Eighth grade boys at 4:00, 7th grade 6:45.

Ms. Craddock Retirement Celebration

Bittersweet congratulations to Ms. Craddock. We are excited for you on your next adventure, but we will miss you. Please mark your calendar for Saturday, December 12 at 10:00 am for a celebration of Ms. Craddock. Ms. McIver sent a Evite with details to the event.

Moon Pod Essay Contest

IMAGINE LEADING A ONE-WEEK EXPEDITION ON THE MOON AND WRITE AN ESSAY THAT TELLS NASA ALL ABOUT IT. NASA is taking remote learning to the Moon! 2020 has been a year of working and living at a distance. Now consider what it might be like if you were living with a pod of astronauts 250,000 miles from Earth. Your challenge is to imagine leading a one-week expedition at the Moon's South Pole – with the whole world cheering you on.

Eighth-Grade Dedication Ads

Deadline to buy a Yearbook Ad is Friday, January 15. 1/8 Page Ad = \$25, 1/4 Page Ad = \$50, 1/2 Page Ad = \$100. If you have already purchased a Yearbook AD, Mrs. Rasberry will send out a separate email regarding when Yearbook AD designs need to be turned in. Contact Mrs. Rasberry @ 713-251-4696 or faralyn.rasberry@springbranchisd.com if you have any questions.

Patriot Paws

SFMS PTA will also be fundraising for Patriot Paws at Texas A&M, as we have for the last 6 years! Patriot Paws is a foundation that raises money to train service dogs to give to disabled American veterans. These dogs help them to overcome and cope with PTSD, and other disabilities. Because of generous donations, like the ones from SFMS, the service dogs can be provided to veterans at no cost. We will not be able to collect money at school as usual, but please consider an online donation at <https://patriotpaws.org>. Click on "DONATE", Go to Honor A Veteran, Enter "SFMS Veteran" instead of an actual first/last name...You can skip the address if you'd like.

2020-2021 Yearbooks

Order your 2020-2021 Yearbook Today, <https://www.balfour.com/shop/yearbook?smi=74036>

Yearbook Photos

Ms. Raspberry, Yearbook Advisor, is looking for some photos from distance learning students. Normally the yearbook students take photos during school, but of course, they want to include the distance learning students in this year's yearbook as well. She wants the photos you have from Distance Learning - First day of school, Distance Learning – class at home, and Red Ribbon Week photos from everyone. Please email Faralyn.Raspberry@springbranchisd.com. Thank you for your help!

Go Guardian

SBAI teachers are using Go Guardian during their classes to monitor the tabs students have open while they should be engaged in learning. Virtual students must use their SBISD Chromebook during Zoom classes. Middle school students who have Chromebook issues need to go to SFMS to get issues resolved. Please call ahead 713.251.4600. High school students with issues should contact Ms. Helfer and Mr. Lefeber.

COVID Dashboard

The [COVID Dashboard](#) provides a summary of active, test-confirmed COVID-19 cases involving SBISD students and staff members as reported to the District. Totals reflect those participating in any on-campus activity. For more information associated with SBISD's health and safety protocols regarding COVID-19, including isolation, quarantine, and reporting, please refer to the [District's LearnSBISD plan](#).

SHS Student Parking

I cannot believe this is needed for our newsletter. Stratford is selling 2020-21 parking passes for juniors and seniors. Click on this link for [parking information and regulations](#). Sophomore passes go on sale in late Fall; I was told it would be in October.

CIS Newsletter

Communities In Schools is a 501 (C3) non-profit organization that partners with schools, colleges or independent school districts for the purpose of addressing the barriers to success (academic and non-academic needs) faced by students and/or their families within the campus community. Please see the August/September newsletter at the end of the newsletter.

SFMS PTA/Campus Communication

We encourage all families to join SFMS's PTA. To receive regular details from SFMS, click on the link and add your email address to get the [SFMS PTA e-blast](#). Please read the e-Blast and this newsletter to stay informed.

Stratford PTSA/Campus Communication

We encourage all families to join SHS's PTSA. Parents, please stay informed with upcoming events. To receive regular details from SHS, click on the link and add your email address to [Sign Up for Spartan Scoop](#). Please read the [PTA information](#) and this newsletter to stay informed.

College Board Opportunity Scholarships

Turn your efforts into scholarships.

The College Board Opportunity Scholarships program guides you through the college planning process and offers you a chance to earn money for college for each action you complete. The more effort you put in, the more opportunities you'll have to earn. It doesn't require an essay or an application, and it doesn't have a minimum GPA or test score requirement. Scholarships can be used at 2- and 4-year colleges. **Half of all scholarships are reserved for students with an annual family income below \$60,000.**

Learn more and get started at [cb.org/opportunity](https://collegeboard.org/opportunity).

1. Build Your College List: \$500

Get started by exploring colleges that interest you on Big Future.

2. Practice for the SAT: \$500

Use Official SAT® Practice on Khan Academy® to get ready for test day.

3. Explore Scholarships: \$500

Find scholarships and other aid to help you pay for college.

4. Strengthen Your College List: \$500

Make sure your college list on BigFuture has a mix of safety, match, and reach schools.

5. Complete the FAFSA: \$500

Fill out the Free Application for Federal Student Aid (FAFSA) to apply for financial aid.

6. Apply to Colleges: \$500

Apply to colleges you want to attend.

Complete Your Journey: \$40,000

January 30, 2021 ~ Virtual Event

2nd Annual GT Parent Conference, Baylor Center for Gifted Education and Talent Development

Save the date for Saturday, January 30, 2021! The Gifted Education Family Network is excited to support the 2nd Annual GT Parent Conference at Baylor University. This year's event will be virtual and at a minimum cost. Planning to attend? What sessions do you want to see? Please share your needs and interests to help Baylor determine session topics. [Take the survey here — your input is needed.](#)

VIRTUAL STUDENT ENRICHMENT

For many Texas students, face-to-face enrichment is not an option at this time. In addition to our [COVID-19 resources](#), we are excited to share additional upcoming opportunities:

Virtual “Super Saturdays in December” for 4th-12th graders

Offered by Baylor Center for Gifted Education and Talent Development

Baylor is offering an online enrichment program for gifted and talented children in grades 4–12! Students can choose from a variety of six-hour classes taught by experienced educators. Classes are offered online from 9:30–11:30 a.m. over three Saturdays. For a flyer with more information on the classes offered, please visit the [Super Saturdays website at the Baylor Center for Gifted Education and Talent Development](#).

Early Next Year!

GEFN Enrichment Day with NuMinds

GEFN will be partnering with NuMinds Enrichment to offer an opportunity for creative play at home in January. [Subscribe to our e-newsletter](#) to get an invitation and reminder.

GT EQUITY, SPECIAL POPULATIONS

Interview with Dr. Joy Lawson Davis: Equity in GT

New on our blog

We launched our new blog, [Excellence and Equity](#), and we are thrilled to share our first post: an [interview with GT expert Dr. Joy Lawson Davis](#)! Dr. Davis discusses the importance of equity and diversity in gifted education, the challenges faced by gifted students of color, and specific action steps that GT parents and GT parent groups can take to address equity in their districts. With over 40 years in the field, books by Dr. Davis include the award-winning [Bright, Talented, & Black: A Guide for Families of African American Gifted Learners](#) (author), [Gifted Children of Color Around the World: Diverse Needs, Exemplary Practices and Directions for the Future](#) (co-edited with Dr. James L. Moore III), and *No More Dreams Deferred: Breaking the Barriers to Self-Advocacy for Underserved Gifted Learners* (forthcoming, co-edited with Deb Douglas), among other publications.

Express your interest and ideas in our survey

Are you looking for a safe place to exchange, share, learn, and support each other in our parenting journey throughout Texas? We'd like to find out what resources and information would help Texas gifted families. [Fill out our survey](#) if you would like to express your interest or share ideas

YOUR CORNER OF TEXAS

Study: Impact of HB3 and COVID on GT

The University of North Texas is working to catalogue district-level changes to gifted education practices following the passage of Texas House Bill 3 and school closures stemming from COVID-19. Their goal is to document any changes to gifted education practice in the state between the 2019-2020 and 2024-2025 academic year.

Below is a link to a survey for GT educators and administrators. Please consider sharing it with GT educators in your district. It is critical that a record of any changes be maintained.

Your Local GT Program

The Texas Education Agency has released COVID-19 guidance specific to GT education. Current guidance and future GT-specific COVID updates can be found on the [TEA COVID-19 page for Special Populations](#).

Is your district working hard to improve GT services? Do you have concerns about GT in your district? Please let us know what you're hearing. Email us or [use our web contact form](#) to share your feedback. As a reminder, Texas GT students must be identified and served per the State Plan in all instructional models, including virtual.

Events near you

Is your local GT parent support group hosting a live or virtual meetup and looking for new members? Or ... are you feeling like the only GT family in town? Please let us know about it. GEFN wants to connect gifted families in your area. Get in touch and we'll try to help [advertise events, meetups or even "gifted family seeks other gifted families in Anytown, Texas"](#) to help connect gifted families in Texas.

LET'S CONNECT

Refer a friend

Please consider asking friends and family across Texas to [sign up for our Gifted Education Family Network](#). It's new, it's free, and its purpose is to advocate for strong, vibrant, and appropriately challenging education programs for students with exceptional potential. The broader our reach, the more GT families can connect across Texas, and the better we can all support GT learning in our schools and at home.

2020-2021 Credit by Exam & Exams for Acceleration

Exam Dates

Elementary/Middle School	
Testing Window	Application Due Date
SEPT 28-OCT 9	SEPT 4
High School	
Testing Window	Application Due Date
SEPT 28-OCT 6	SEPT 4
All Grade Levels	
Testing Window	Application Due Date
FEB 22-MAR 5	JANUARY 15
JUNE 7-10	MAY 3
JULY 12-15	MAY 3

All Credit by Exams are only offered online. Only applications submitted by the counselor will be accepted. Contact the school counselor for more information about registration. **Late and/or incomplete applications will not be processed.**

Cancellations/No Shows

Students have two attempts at CBEs/EAs. Cancellation or no shows that occur after exams have been ordered may constitute one attempt.

Math Acceleration

Single subject acceleration is available only in mathematics, and is provided during the testing windows listed above. Student performance data must be included with the application. Students scoring an 80% or higher on the exams are eligible for acceleration. Students only through 8th grade math achieving the required score in October may accelerate immediately; those achieving the required score in March, June, or July may accelerate

GRADE LEVEL ACCELERATION (GRADES 1-8)

Exams for Acceleration (EA) offer students in grades 1-8 the opportunity to advance one grade level by scoring 80% or higher in each of the four required subject areas. Students desiring to advance one grade level will need the signature of their parent/guardian as well as the building principal or designee. Student performance data must be included with the application. Testing is free for all enrolled SBISD students. Kindergarten students are not eligible for testing until the summer prior to the first grade year.

Courses required for acceleration:

- > Grade Level Math
- > Grade Level Social Studies
- > Grade Level Science
- > Grade Level Language Arts

The math exam will be administered first. A score of 80% or higher is required on each test to advance to the next exam. Fall and spring exams are administered at the student's home campus; summer exam locations will be announced.

Study Guides for EA and CBE assessments may be found at the following link. Some exams require reading of novels (ELA), participation logs (PE), or portfolios (Art); those requirements are listed in the study guides. https://highschool.utexas.edu/cbe_study_guides

CREDIT BY EXAM*

Credit by Exam (CBE) offers students the opportunity to gain course credit in the subject area(s) being tested. Students who wish to take a Languages Other Than English (LOTE) exam must have completed 7th Grade. CBEs may be taken with or without prior instruction, and testing is free for all enrolled SBISD students. Fall and Spring exams are administered at the student's home campus; summer exams are administered at a location to be announced.

High School courses are tested by semester and most have two semesters. When high school course credit is earned through Credit by Exam, the course and the score of the test are posted to the student's transcript. However, the score will not impact the student's Grade Point Average.

Exams available include:

- | | | | |
|---------------|----------------|---------------|---------------|
| > English I | > Algebra I | > US History | > Physics |
| > English II | > Algebra II | > World Geo. | > IPC |
| > English III | > Geometry | > World Hist. | > Health* |
| > English IV | > Pre-Calculus | > Biology | > Economics* |
| | > MMA | > Economics | > Government* |

* One semester classes

Additional exams may be found at <https://utexas.app.box.com/v/uths-cbe-available>

Languages Other Than English (LOTE) - Levels 1-4, except Vietnamese

Sample Tests may be found at <http://avantassessment.com/sample-tests>

* Policy EHDC (Legal)

A student may not attempt to earn credit by examination for a specific high school course more than two times. If a student fails to earn credit by examination for a specific high school course before the beginning of the school year in which the student would ordinarily be required to enroll in that course in accordance with the district's prescribed course sequence, the student must satisfactorily complete the course to receive credit for the course.

TIPS TO BUILD & STRENGTHEN YOUR FAMILY'S IMMUNITY

Vitamin D is essential to immune function and helps regulate the body's immune response. Vitamin D is found in salmon, canned tuna, egg yolks, and yogurt. Your body can also synthesize vitamin D with just 13-15 minutes of sunshine three times a week.

Consuming foods high in **Vitamin C** such as grapefruits, oranges, tangerines, sweet red pepper, broccoli, strawberries, kale, and kiwifruit are thought to increase white blood cell production, which is key to fighting infection.

Beta-carotene converts into **Vitamin A**, which is an anti-inflammatory vitamin that can help your antibodies, respond to toxins, such as a virus. Carrots, spinach, kale, apricots, sweet potato, squash, and cantaloupe are all great sources of beta-carotene. Vitamin A is a fat-soluble vitamin, so consuming foods with healthy fats will aid in its absorption.

Immune system cells need **Zinc** to function as they are intended. Zinc is a mineral that our body does not store or produce. While oysters have the highest food content of zinc, there are several other options such as shellfish (crab, clams, lobster, and mussels), poultry (chicken or turkey), red meat and beans. Zinc is also found in fortified cereals and some breads, but the best absorption comes from animal-based foods.

Vitamin E is a fat-soluble vitamin that is key in regulating and supporting immune system function. Foods rich in vitamin E include nuts, seeds, avocado, and spinach.

Green Tea is packed with antioxidants that have been shown to enhance immune system function. It also contains amino acids that may aid in the production of germ-fighting compounds in your T-cells, which reduces inflammation in the body and helps fight infection. Green tea can be consumed hot, cold or as matcha powder.

Wash Hands Regularly

Drink Water & Stay Hydrated

Water helps produce lymph which carries white blood cells and other immune system cells through the body. There are many foods with high water content such as cucumbers, watermelon, and celery. If you have a hard time drinking plain water, try a cup of green tea with lemon, watermelon, cucumber or mint-infused water for an immune system powerhouse beverage.

Probiotics and an immune boosting essential oils called thieves oil & oregano.
