| This year, the SIP Team | <u>Academic Goal Rationale</u><br>Linkit! Is a new tool with the purpose of providing teachers with actional data to drive instruction. The focus of our goal<br>this year is to help teachers become proficient in using this new instructional tool. |  |  |  |  |
|-------------------------|--|--|--|--|--|
| will focus on:          | <u>VOG Alignment</u><br>Master a core body of knowledge, established in local curricular documents reflecting national and state standards as<br>well as workplace expectations. All students will develop their individual academic capacities.       |  |  |  |  |
|                         | <u>Academic Goal</u><br>Teachers will build capacity and use Linkit data as an instructional tool for effective decision making and action planning<br>to meet the learning needs of their students.   |  |  |  |  |

|   | <u>SEL Goal Rationale</u><br>We believe by focusing on our students' and staff's social and emotional learning, students and staff will make the personal connections necessary to respond to failures and successes with reflection and resilience.<br>"The pandemic has further illuminated the need for SEL to care for ourselves, our students, and their families. COVID-19 has also exposed existing inequities in education and may fundamentally change how we conceive of school. Now more than ever, we must call upon our empathy, resilience, relationship building, and collective resolve as we innovate and rebuild our education systems."<br><u>SEL Goal</u><br>Provided with full access to the Second Step materials, The Nurtured Heart Approach Professional Development, and other district SEL resources (see SEL Activities 2020-2021), New Lebanon School will increase the number of teachers |
|---|---|
|   | regularly teaching Social and Emotional Learning.<br>Schlund and Weissberg (CASEL), May 2020  |
|   | <u>Parent Engagement Goal Rationale</u><br>"The only way to prevent COVID-19 from deepening inequality for an entire generation of children is to equip families to<br>support learning at home. This is especially true in the pivotal early grades, in which children's learning requires<br>frequent adult facilitation." Alejandro Gac-Artigas, the Founder and CEO of Springboard Collaborative  |
|   | <u>Parent Engagement Goal</u><br>New Lebanon School Staff will communicate with families at least once per month on academic and social emotional<br>strategies that can be used in the home setting.   |
| Introduction to your SIP/ School Profile<br>(approximately 100 words) | We believe by focusing on our students' and staff's social and emotional learning, students and staff will make the personal connections necessary to respond to failures and successes with reflection and resilience.<br>"The pandemic has further illuminated the need for SEL to care for ourselves, our students, and their families. COVID-19 has also exposed existing inequities in education and may fundamentally change how we conceive of school. Now more than ever, we must call upon our empathy, resilience, relationship building, and collective resolve as we innovate and rebuild our education systems."<br>Schlund and Weissberg (CASEL), May 2020  |
| Equity Vision Statement<br>(approximately 50 words)                   | As a school community, we believe that building a positive learning environment where all members are valued and respected for their unique strengths and differences, is fundamental to student success. By fostering a sense of curiosity and a love of learning in our students, we help them become responsible, self-motivated learners. Our focus is on building social emotional capacities while also increasing the level of cognitive engagement for our students. By providing rigorous tasks, opportunities to work together collaboratively, and developing student agency, we are helping all of our students be successful. We continue to strengthen our partnership with families to improve student engagement and achievement by setting a clear vision for success.   |

| Your School's Key Strengths<br>(approximately 50 words)   | By setting a clear vision for success each year, meeting regularly, and keeping student focus at the forefront of our work, our staff<br>is able to come together, share their expertise, and grow their practice to achieve our intended outcomes. As a whole, our staff<br>continuously works on providing evidenced-based, current strategies and instructional practices to improve the learning for all<br>students. As a school community, and with the direction of our School Data Team, we organize and plan strategically. Our staff<br>uses data to plan for and meet the needs of all of our students. |
|---|--|
| Progress Made During Prior Year<br>(approximately 50 words)   | Prior to the shutdown, Second Step was implemented across the K-5 classrooms. School-wide PBIS implementation was in progress - it had been fully developed in the year prior. Class dojo is used as a strong communication tool and PBIS tool. Families as Partners in Learning was in Year 1 of implementation and had several strong data outputs displayed in end of year and post-conference reporting.   |
| Areas of Continued Growth<br>for Upcoming Year<br>(approximately 50 words)                            | We are continuing to focus on using actionable data to drive instruction and monitor progress. In addition, and this year with an added emphasis, our primary focus is on the social emotional health and well being of our students and staff. This year in particular, as we move forward from the school closure during Spring 2020, this is of the utmost importance. Our staff will work to develop personal connections and engage all learners. We continue to utilize the Second Step curriculum, district SEL resources, and engage in ongoing Professional Development with The Nurtured Heart Approach. |
| Connection Between School's Work and<br>District's Vision of the Graduate<br>(approximately 50 words) | Our students will acquire a core body of knowledge and develop their individual academic, personal, and interpersonal capacities.<br>This year our focus will be on interpreting, evaluating and synthesizing information, responding to failures and successes with<br>reflection and resilience, and contributing to the classroom community.  |
