

WHAT'S COOL ABOUT MIDDLE SCHOOL

A handy guide to life across Orange Grove Drive

ELECTIVES AND CLUBS

Join the Band or Dungeons & Dragons Club! How about competing on a Lego Robotics team? take a VR/AR elective or a Graphic Design class? Learn French or Chinese! **Even during this challenging year, you have cool enrichment periods focused on the fine arts and ConnectOcean!*

THE GREATEST TEACHERS

Middle School teachers at Corbett Prep are the BEST. They really, REALLY like Middle School kids, and they know YOU can change the world. They also have a ridiculous sense of humor.

SPORTS TEAMS & INTRAMURALS

Be a risk taker, and try a new team sport. Everyone makes the team! Exercise in PE class & on MS intramural teams keeps you fit & gives you that much needed boost of endorphins to help get you more pumped to do your best work.

TECHNOLOGY IS LEGIT

Create a tour of your MS day using Merge Cube CoSpaces. Design games using Apple's coding language, Swift X-Code. Become a keyboard master as you compete in worldwide real-time typing competitions using Nitro-Type.

NEW HORIZONS AWESOME OVERNIGHT TRIPS

Once a year, you will get your adventure on and go on a BIG trip with your school friends! From a Dude Ranch in 6th grade to Wolfcreek in 7th and Washington D.C. in 8th, new horizons await you!

MIDDLE SCHOOL AT CORBETT PREP

HIGH SCHOOLS WANT CORBETT PREP GRADS!

High schools tell us they love Corbett Prep kids because they ask questions, they are confident, independent thinkers & they know how to work with others! High school credit opportunities in Math, Science and Spanish are available in MS too!

MS STUDENTS ARE LEADERS!

Take your leadership & communication skills to the next level! So many opportunities in MS to grow as positive role models, effective public speakers & community builders... Student Ambassadors, Student Council, Team Captains, "Buddies" to East Siders & more!

SCIENCE LAB & SNORKELING

Examine brine shrimp in a Petri dish under a microscope in the Science Lab. Connect with scientists in Costa Rica to dive deeper into learning about our earth's oceans & waterways - take a snorkeling or scuba trip or two! Ramp up your STEAM skills in 7th/8th grade in an all-time favorite... the Egg Drop from the top of Raymond James!

REIMAGINE YOUR LOCKER ORGANIZER

Use the MYP design cycle to create a 21st century locker organizer using Tinkercad design software & 3D printer technology. One-size-fits-all learning is for another school & those locker shelves sold in the stores... so last year.

ON STAGE & BEYOND

Act, dance, sing in the Musical Theatre elective, compete with Thespian Troupe #88622 WOOT! WOOT! You'll grow in self-confidence, self-expression, communication, collaboration, interpersonal skills & imagination ~ just ask any Corbett Prep middle schooler!

MIDDLE SCHOOL AT CORBETT PREP IS AWESOME! SEE YOU IN 2021/22!

More Electives & Clubs ~ Remote-Operated (underwater!) Vehicles (ROVS), Garden Club, Fantasy Football, Yearbook, Art, Photography, Rube Goldberg Machines (great for the STEAM SYMPOSIUM!), Babysitting, Debate, Forensics (competition-based elective in public speaking, projection & presence - with drama), and so much more!!!
