Parents,

Please complete the survey included below to indicate your preference for how you wish for your child(ren) to attend school upon the reopening of Cardinal Gibbons, when all guidelines have been met.

You can access the survey through the link sent to you via email.

Please carefully consider your decision prior to making a selection as this will commit your child(ren) to that schooling plan through the end of the second quarter (December 18, 2020).

This survey must be fully completed and submitted no later than Tuesday, September 15.

Thank you for your time. I hope you all have an enjoyable weekend.

continuity of the education we offer have been at the forefront of our planning efforts.

I am certain that you and your son or daughter are anxious, but please understand that it is far too early to make any final determinations, particularly in dealing with the fluid situation that is this COVID-19 pandemic. However, you will be notified immediately once a decision regarding our operations for January has been made.

I ask and implore you and your families to act prudently during this Thanksgiving Break to help curb the growing trend of positive transmissions. We must all continue to act responsibly to ensure the safety of our Cardinal Gibbons family.

Thank you for your continued patience and prayers — both of which are much needed and appreciated during these trying times. I wish each of you and your families a peaceful and blessed Thanksgiving.

Sincerely,

Oscar Cedeño

Principal
