Farewell

Sadly, we'll have to say good bye to our dear Reem as she'll be moving back to Egypt. She has been an active Booster Club member over several years. Always had the interest of the students in front of mind. Yes, she would come early to help set up, stay late to tidy up - it helped that she lived across the road from ABA :) Her smile and always kind & caring ways when talking to anybody in the community will be missed, not only by the Booster Club! We wish you and your family the very best!

Welcome

Kirsten just joined the Booster Club in the secretary position. She recently moved to Muscat from Sohar with her family. She is passionate about health psychology, sports and creating and supporting the community. With her background and experience in various areas of volunteering we are very excited to have her on board.

Do **YOU** want to join our team? We are still looking for a **Communication Coordinator**. If you think it's something for you, then please contact us at boosterclub@abaoman.org. We'd love to have you on our team

2020 has been quite the year and we all miss our face to face interactions. As we go into the holiday season the *Booster Club* wishes you and your loved ones a peaceful, healthy and joyful time.

But let's not forget about those in our community who experienced loss and hardship this year! Our hearts and thoughts are with you!

Yours in community spirit - VIPERS Booster Club
