AGREEMENT

This Agreement between the Southgate Community School District (hereinafter referred to as the Employer) and the Southgate Labor Support Staff Teamsters 214, (hereinafter referred to as the Union) will consist of general provisions and Articles. The provision of these are not interchangeable and no provision in one Appendix will be construed to apply to employees covered by other Appendices.

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, the Employees, and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the Employer's success in establishing a proper service to the community.

To establish this proper service the parties recognize the need for trust and cooperation. In order to deal with school improvement activities and create a positive learning environment the parties must develop a culture which believes that "it takes a whole village to educate an individual." Translated we all play a very important role in our learning community which includes Support Personnel. It is agreed that the basis for decisions will be the underlying standard, "What is best for students." A win philosophy will be necessary if we are going to become the exemplary learning community that our society is demanding.

ARTICLE 1 : UNION RECOGNITION

- 1.1 Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all employees included in the bargaining unit as described below:
- 1.2 Employees employed in wage classifications set forth in Food Service Department (Article 33.) who are regularly scheduled to work two (2) hours or more per week.
- 1.3 Employees employed in wage classifications other than the classifications set forth in Food Service Department (Article 33.) or who are not regularly scheduled or who work less than the required hours will not be included in the bargaining unit and will not be covered by the provisions of this Agreement.

ARTICLE 2: AID TO OTHER UNIONS

- 2.1 The employer will not aid, promote or finance any labor organization which seeks to represent employees covered by this Agreement nor will the employer make any Agreement with another labor organization covering employees represented by the Union.

ARTICLE 3: UNION SECURITY AND AGENCY SHOP DUES AND FEE DEDUCTIONS

Consistent with the requirements of the Public Employment Relations Act (PERA), as amended, each employee in the bargaining unit covered by this Agreement has the choice of whether or not to become a Union member and to pay membership dues; while financial support of the Union is not a condition of employment, the Employer does recognize Teamsters Local 214 as the exclusive representative of employees within this contract for the purposes established by PERA.

ARTICLE 4: STEWARDS

- 4.1 Employees employed in the classifications set forth in Food Service Department (Article 33.) shall be represented by two stewards who shall be regular seniority employees working in a classification set forth in Food Services Department (Article 33.).
- 4.2 The Local Union appropriate steward, during working hours, without loss of time or pay, may investigate and present grievances to the employer after securing permission of the immediate supervisor. If the immediate supervisor is not available, then his/her immediate supervisor shall be contacted to secure permission.
- 4.3 The Union shall notify the employer of the names of the stewards within one week after their election, selection or appointment. Such notification shall be in writing.
- 4.4 Any additional representation shall be subject to the mutual agreement of both parties.

ARTICLE 5: SPECIAL CONFERENCES

- 5.1 Conferences for important matters may be arranged between the Local steward or his/her designated representative and the Superintendent or his/her designated representative. The Local steward accompanied by a State Association representative, and up to three designated representatives shall not lose time or pay if the conference is held during his/her normal working hours. This meeting may be attended by a representative of the Council and/or a representative of the International Union or, in their absence, another bargaining unit representative designated by the local steward.

ARTICLE 6: UNION BULLETIN BOARDS

- 6.1 The Employer will provide bulletin boards in each building which may be used by the Union for posting notices of the following types:
1. Notices of recreational and social events
 2. Notice of elections
 3. Notices of results of elections
 4. Notices of meetings
- 6.2 A copy of notices will be forwarded to the Employer.

ARTICLE 7: GRIEVANCES AND ARBITRATION

- 7.1 A grievance is defined to be any difference or complaint based upon an event or condition which is claimed or considered to be a violation, misinterpretation or misapplication of this Agreement. This grievance procedure shall not be applicable to any situation where the employee has a remedy to a governmental agency, where the Board is without legal authority to take the action sought, or to remedy a complaint where the matter complained of is not covered by the Agreement.
- 7.2 Nothing contained herein will be construed as limiting the right of any employee having a grievance, to discuss the matter informally with any supervisory or administrative personnel and having the grievance adjusted without intervention of the Union provided the Union is given the opportunity to be present at such adjustment.

7.3 Procedure:

All days listed below are working days. Over summer break, working days will be when the district central office is open.

- A. Step 1. An employee having a grievance shall first present the grievance in writing, on form provided by the Union, to his/her immediate supervisor within ten (10) days after the occurrence of the alleged violation of the contract. The grievance shall state the facts giving rise to the grievance, the date the grievance occurred, the Articles and Sections of the contract alleged to be violated, and shall be signed by the employee and/or Local Union steward.

Within ten (10) days following receipt of the grievance, the supervisor shall mail or deliver to the employee a written answer.

- B. Step 2. If the employee is not satisfied with the supervisor's written answer or if no answer was given by the supervisor within the time limit, the employee may appeal the grievance to the Superintendent of Schools by filing the grievance with the Superintendent's office within five (5) days following receipt of the supervisor's answer, or if no answer is given, within five (5) days from the date the answer should have been given.

Within ten (10) days, the Superintendent or a designee shall meet with the Union at its request to discuss the grievance and the Superintendent or a designee shall answer the grievance within ten (10) days following the meeting or the receipt of the grievance, whichever is later, by mailing or delivering the answer to the employee.

- C. Step 3. If the grievance is not resolved in Step 2 and the grievance involves

an alleged violation of a specific Article and Section of this Agreement, then the Union may submit the grievance to Grievance Mediation with M.E.R.C. within thirty (30) days after the decision is rendered in Step 2, or, if no answer was given, within thirty (30) days following when the answer was due. Either the Union or the District may request that this step be skipped and go directly to Step 4.

D. Step 4. If Step 3 is skipped, if the District rejects the decision of a mediator, or if the Union is not satisfied with the outcome of Step 3 mediation, within thirty (30) days following a decision, the Union may submit the grievance to arbitration by filing a Demand for Arbitration, with a copy to the Superintendent, with M.E.R.C. within thirty (30) days after the decision is rendered in Step 2 or Step 3, or if no answer was given, when the answer was due. The Demand for Arbitration shall be signed by the Union, shall specify the Articles and Sections of the Agreement alleged to be violated by appropriate reference, shall specify the relief requested and shall in all other respects be in compliance with the rules of M.E.R.C. The arbitrator shall be selected; the arbitration shall be conducted under the rules of the M.E.R.C. The fees and expenses of the arbitrator shall be shared equally by the Board of Education and the Union. The arbitrator shall confine the decision to the sole question of whether or not there has been a violation of this contract. The arbitrator shall have no power to alter, add to or subtract from the terms of this contract.

- 7.4 There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth in this Article. It shall be final and binding upon the Union, its members, the employee involved and the Employer.
- 7.5 In the event of a discharge or a suspension of a non- probationary employee, a grievance may be initiated at Step 2 of the grievance procedure by the employee filing a grievance with the Superintendent's office within five (5) days of the discharge or suspension. Thereafter Step 2 and all other steps of the grievance procedure shall apply.
- 7.6 Any grievance not timely filed or presented, and any grievance not advanced to the next step by the employee and/or Union within the applicable time limit, shall be deemed abandoned, shall not thereafter be processed or be grievable, and shall be considered settled on the basis of the last answer of the Employer. Time limits may be extended by the Employer and the Union, in writing, and the new date shall prevail.
- 7.7 Any agreement reached between the Employer and the Union is binding on all employees affected, and cannot be changed by an individual.

- 7.8 Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall be processed in accordance with the most recent agreement. Any grievance which arose prior to the effective date of this Agreement shall not be further processed unless the alleged violation of the agreement would also be a violation of the new agreement. Provided, however, this provision shall not be applicable during any mutual written extension of the collective bargaining agreement.
- 7.9 Except in the case of payroll error, the Employer shall not be required to pay back wages more than ten (10) days prior to the date a written grievance is filed. All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned, less any unemployment or other compensation that he/she may have received from any other source during the period of back pay.
- 7.10 No grievance shall be filed or processed further by an employee or the Union after the effective date of the aggrieved employee's resignation.
- 7.11 No more than one such grievance or dispute may be submitted in an arbitration proceeding at one time, except in the case of a class action grievance involving the same violation covering multiple employees. This restriction may be waived by mutual agreement between the District and the Union.

ARTICLE 8: PROBATION AND SENIORITY

- 8.1 All the employees hired in a department shall be considered as probationary employees for the six months of calendar days and there shall be no seniority among probationary employees. On the sixty-first (61st) calendar day the probationary employee shall receive fringe benefits as listed in the Collective Bargaining Agreement as per department.
- 8.2 The Union shall represent probationary employees for the purposes of collective bargaining in respect to rates of pay, wages, and hours of employment. However, during the probationary period, the employer shall have the sole right to discharge, discipline, transfer, demote or layoff employees for any reason, except for Union activity, without regard to provisions of this Agreement and no grievance shall arise therefrom.
- 8.3 Probationary employees shall be considered as terminated rather than laid off in the event of a reduction in the work force and there shall be no requirement for the employer to rehire. In the event they are rehired at a later date, they shall then be treated as a new employee.
- 8.4 For all purposes of this Agreement, departmental seniority shall apply and shall be determined as follows:
- A. After successful completion of the probationary period in that department, a departmental seniority date shall revert back to the first day of regular employment. In the event more than one employee has the same seniority date in that department, the Union shall conduct a drawing among the affected individuals to determine the correct position on the seniority list.
- 8.5 In September and March of each fiscal school year, the employer will provide the Local Union steward a seniority list showing the names, job title, and seniority date of seniority employees. The most recent list submitted to the Union steward be conclusive as to the seniority date and department seniority date of a listed employee unless the Union notified the personnel office, in writing, within 15 calendar days after receipt of the lists that a particular employee's seniority date is not listed accurately.
- 8.6 No employee who has been laid off and returns after rehire to a department in which he/she has already successfully completed the probationary period shall be required to serve an additional probationary period in that department in the classification from which he/she was laid off.

ARTICLE 9: LOSS OF SENIORITY

- 9.1 An employee shall be terminated and lose his/her seniority rights if he/she:
- A. Quits;
 - B. Is a probationary employee and is discharged;
 - C. Is an employee and is discharged and the discharge is not reversed through the grievance procedure set forth in this Agreement;
 - D. Is laid off for the length of his/her seniority, not to exceed his/her seniority.
 - E. Fails to return to work when recalled from layoff as set forth in the recall procedure;
 - F. Fails to notify the Employer of his/her acceptance, in writing, by certified mail, return receipt requested, within ten (10) days after notice of recall;
 - G. Is absent for more than two (2) consecutive working days without a valid reason for the absence;
 - H. Is absent for more than two (2) consecutive working days without notice to the Employer in accordance with the provisions of this Agreement;
 - I. Fails to return from an authorized leave of absence, vacation or sick leave at the designated time unless the designated time has been mutually extended, in writing, by the employee and the Employer;
 - J. Is absent for three (3) or more days in a calendar month without notice to the Employer in accordance with the call-in procedure set forth in this Agreement.
- 9.2 If an employee is terminated pursuant to E, F, or G above, but there are extenuating circumstances, then the matter shall be considered in a special conference pursuant to Article 5., but the decision of the Superintendent of Schools or his/her designee regarding the termination shall be final.
- 9.3 It shall be the responsibility of each employee to notify the employer of any change of address or telephone number. The employee's address and telephone number as it appears on the employer's records shall be conclusive when used in connection with the layoffs, recall, or other notices to employees.
- 9.4 A. Transfer - Bargaining Unit Seniority - Out of Unit

An employee who accepts a position outside of the bargaining unit and returns to the bargaining unit within 30 days will not suffer a loss of seniority. After 30 days, they can only return to an open position in the bargaining unit, if qualified, and will suffer a loss of all prior Board seniority. This clause shall not be construed to limit the Employer's right to terminate the employee for any reason while assigned to a job outside the bargaining unit, and without the consent of the Employer, the employee shall have no right to return to the bargaining unit or to process any grievance under the grievance procedure.

B. Transfer - Bargaining Unit Seniority - Within Unit

If an employee is transferred from a department and is employed in another department in the bargaining unit, the employee's seniority in the department he/she was transferred from shall be frozen.

In the event an employee is laid off from the new department, or is terminated during the probationary period in that department, then the employee may exercise his/her frozen seniority to bump the lowest departmental seniority employee in his/her previous department. Provided, however, this right of return shall not be applicable if the probationary employee was discharged and the discharge would have been for cause had the employee been a seniority employee.

C. Frozen seniority, for purposes of 9.4 B only, shall mean that the employee's departmental seniority date shall be moved forward for each day the employee remained transferred outside his/her original department.

ARTICLE 10: LAYOFF AND RECALL

- 10.1 Employees to be laid off for an indefinite period of time from their respective department will have at least thirty (30) calendar days' notice of layoff. The Local Union steward shall receive a list from the employer of the employees being laid off on the same date notices are issued to the employees.
- 10.2 Employees to be laid off for a definite period of time, because of emergencies or unusual conditions will be given forty-eight (48) hours' notice prior to the layoff. The length of layoff will be told the employees.
- 10.3 Employees will be laid off in the Food Service Department in the following manner:
1. Probationary employees within the department will be laid off first.
 2. A seniority employee who is displaced from his/her own classification may exercise their seniority to displace the least senior employee in another equal or lower paid classification, with equal or less hours within the Food Service Department. The employee so exercising must be able to perform the work; Food Delivery, Manager, Elementary Manager, and/or Kitchen Helper/Cashier and/or Warehouse Assistant.
- 10.4 Intent to bump must occur within five (5) days of layoff notices given. When the work force is increased within a department after a layoff, employees will be recalled to the classifications laid off from in accordance with their departmental seniority, starting with the most senior first. Notice of recall shall be sent to the employee at the last-known address by registered or certified mail. If an employee fails to respond to notice of recall within ten (10) days from date of mailing of notice, the employee shall be considered to have resigned. Extensions may be granted by the employer in proper cases.
- 10.5 It is understood that a temporary suspension of operations due to such things as a labor dispute, governmental order, civil disorder, or other conditions beyond the control of the employer (including such things as fire, flood, power failure), shall not be considered a layoff for purposes of this Article and adjustments to the work force may be made without regard to the above provisions. Provided however, if a temporary suspension is in excess of five (5) consecutive workdays, then the layoff provisions of paragraphs 1 through 5 above shall be applicable.
- The School District agrees to meet with the Union to discuss its plans should there be a temporary suspension of operation under this paragraph, for example, the Asher semester break.
- 10.6 In the event of a job elimination in Food Service, the person who held the 'eliminated' position shall have the right to return to that job if it is posted within a

two-year period (whether the title has changed or not), and shall be restored to their previous rate of pay and benefits and any additional increases.

- 10.7 Employees, at their option shall be used on layoff as substitutes, working through a third party contractor, such as EduStaff, but called first. Employees interested in this assignment must register with the School Board in writing before the start of the School year. They shall not accrue any seniority. Such consideration will only be in place for a period of time not to exceed their seniority during layoff. Pay shall be at the substitute rate.

ARTICLE 11: VACANCIES

11.1 When the Superintendent of Schools or his/her designee declares a vacancy in the bargaining unit, the Local Union steward will be notified and a notice of the job vacancy will be posted on the employee bulletin board and/or through email, in each department, for five (5) workdays. The notice shall set forth a description of the job, the qualifications for the job, the hours and shift, location, zone and rate of compensation. Present employees in the department where the vacancy exists and who possess the ability and qualifications of the job, shall bid on such vacancy during the five (5) workdays the notice is posted and no bid made after the expiration of the five (5) workdays will be considered in filling the vacancy.

If a position is vacant due to a death, retirement, quit, discharge, promotion, or transfer, but is not declared vacant by the School District, the Union shall be notified and upon the Union's request, a conference will be held with the Superintendent or his/her designee to discuss the filling of the vacancy; but, the decision of the Superintendent or his/her designee shall be final.

When ability and qualifications are equal among the applicants, the following procedure shall apply:

- A. The vacancy shall first be filled by the highest departmental seniority employee with the ability and qualifications bidding within the same department as the vacancy.
- B. If the vacancy is not filled pursuant to Section I above, then the District hire an employee from another department or a new employee.

Any employee selected pursuant to sub-paragraph 11.1 A, above shall be given a trial period not to exceed sixty (60) working days to determine if he/she is capable of performing the work. During a trial period, the School District only may disqualify the employee at any time and no grievance shall arise; but, the employee shall be allowed to return to his/her original classification. During the trial period, employees will receive the rate of pay of the job they are performing. At any time during the first ten (10) days of the trial period, the employee may voluntarily return to his/her previous position. A conference will be held at the employee's request to discuss the disqualification and a written description of the reason for the disqualification. Any employee selected pursuant to sub-paragraph 11.1 B. above shall be deemed to be in a period of probation as provided for in Article 8. and the provisions of Article 8.2 shall be applicable.

The provisions set forth above shall not apply in the event an employee on layoff is recalled to a vacancy within his/her classification, or a transfer.

11.2 In order to avoid multiple postings, at the time of any posting pursuant to

paragraph 11.1 above, all employees desiring to transfer to different classifications, shifts, or buildings within their same department must submit their request in writing to the Food Service Director within the five (5) workdays of the posting of the original vacancy. If filling the original vacancy pursuant to 11.1 above creates another vacancy in the same department, then that vacancy and all subsequent vacancies in that department shall be filled as follows:

- A. When ability and qualifications are equal among the applicants desiring to transfer, then the vacancy shall first be filled by the highest departmental seniority employee with the ability and qualifications who has made a timely application for transfer.
- B. If the vacancy is not filled pursuant to Section I above, then the District may hire an employee from another department or a new employee. When qualifications are equal among applicants, the union applicant will be awarded the position. When it is determined that a Union applicant is not qualified, the District will indicate the reason why, in writing.

Any employee selected pursuant to 12.2 A. above shall be given a trial period not to exceed thirty (30) working days to determine if he/she is capable of performing the work. There shall be no trial period for employees moving to a different position in the same classification.

During a trial period, the School District only may disqualify the employee at any time and no grievance shall arise, but the employee shall be allowed to return to his/her original classification. During the trial period, employees will receive the rate of pay of the job they are performing. At any time during the first ten (10) working days of the trial period, the employee may voluntarily return to his/her previous position. A conference will be held at the employee's request to discuss the disqualification.

An employee selected pursuant to sub-paragraph 12.2 B. above shall be deemed to be in a period of probation as provided for in Article 9.1 and the provisions of Article 9.2 shall be applicable.

- 11.3 The steward shall receive copies of all transfers, new jobs, discipline, etc.
- 11.4 If an employee has already qualified for benefits by working in another department, he/she shall continue to receive at least those benefits during a probationary period in the new classification.

ARTICLE 12: SICK AND DISABILITY LEAVES

- 12.1 The Union recognizes the importance and necessity of attendance to the School District. The District has the right to investigate the pattern and/or excessive absenteeism which shall result in disciplinary action. Further the Board may request and require reasonable proof of either an employee's ability or inability to return to work.

Disciplinary action will be progressive for just and proper cause. Prior to issuing said action, each case will be reviewed based upon its own merit.

Regular seniority employees shall earn and be credited with paid sick days based on one (1) day per month of employment with any unused sick days accumulative in the employee's sick day bank to 250 days (pro-rated based on hours as reported to the ORS (Office of Retirement Services).

However, at the beginning of the school year, seniority employees are credited in advance with five (5) days of sick time in hours and again at the start of the second semester, seniority employees are credited in advance with an additional five (5) or seven (7) days depending on school year worked. A seniority employee shall not be advanced sick days unless he/she signs a wage deduction authorization form allowing the School District to deduct from his/her wages, upon termination of employment, payment for advanced sick *days* which have been taken but not earned.

Only employees who are in a paid status or currently on an FMLA leave of absence at the time these days are advanced will have these days advanced. All others will have these days prorated upon their return to paid status.

Employees who are hired after the start of the work year will have their sick leave days prorated based on the portion of the work year they actually work.

- 12.2 A paid sick day shall be determined by multiplying the employee's hourly rate times the employee's normally scheduled hour of work on that day of absence (i.e., excluding all hours which are scheduled on the day of the absence but which are beyond the normally scheduled hours).
- 12.3 Paid sick days will be granted for personal illness, injury or disability and for illness in the immediate family/step-immediate family. Immediate family/step-immediate family is defined as mother, father, sister, brother, wife or husband, son or daughter, mother-in-law, father-in-law, grandparents or dependent member of the employee's immediate household.

Quarantine declared by the County or State Health Department for contagious disease which may endanger the health of pupils and employees will not be deducted from sick leave.

- 12.4 Any seniority employee whose personal illness or disability extends beyond the period compensated under .1 above shall be granted a health leave, upon written request, and a physician's recommendation, for the time period necessary for the employee to recover from the illness or disability, but in no event shall the leave extend beyond a maximum of one (1) year without the approval of the Board of Education, or its designee. Any health leave granted under this section shall be without pay, fringe benefits (except as may otherwise be provided for in the Appendices, or sick day accrual, but seniority shall continue to accrue).

If an employee is unable to return to work within one year from the period compensated under Paragraph 12.1 and has not been granted an extension of their leave by the Board or Designee, the employee shall be placed on layoff with their seniority frozen, but will not be offered any vacant positions until they have submitted to the Human Resources office a physician's statement that they fit to return to work

- 12.5 The following long-term leaves of absence shall be granted without pay or fringe benefits except as provided by the Family Leave and Medical Act (FLMA) according to the provisions set forth below:

A. A family care leave of absence to care for a sick husband/wife, son/daughter, provided the employee has submitted written medical documentation by the attending physician that the leave is consistent with provisions under FLMA, for one (1) full semester, one (1) full school year, or the balance of a school year/ semester.

B. A child care leave of absence to care for an employee's newborn child, or newly adopted child, provided the employee has submitted a written request for the leave sixty (60) calendar days prior to the date of expected birth or, in the case of adoption, as soon as possible, and the leave is consistent with provisions of FLMA, for one (1) full semester, one (1) full school year, or the balance of a school year/semester. If an employee's leave of absence is for one (1) full school year, or the balance of a school year, then an additional one (1) full school year will be granted if requested in the original application form.

- 12.6 The Superintendent, or his/her designee, may, at any time during the leave, require an employee to submit from his/her physician pertinent medical records and, at the District's expense, to be examined by a District-appointed physician, psychologist or other professional to determine if the employee is disabled, mentally or physically, or ill to the extent he/she is unable to perform his/her normal daily duties and functions. The Superintendent or his/her designee may periodically require the employee, at the employee's expense, to submit a physician's statement verifying the continued medical necessity for the employee's absence.

12.7 Any leave connected with illness must be substantiated by a physician's statement. An employee returning to work after a medical leave (physical or mental) shall present a written statement from a physician attesting to the employee's ability to perform his/her work. The School District reserves the right to have an independent examination by a District-appointed physician, psychologist, or other professional for clearance before permitting an employee to return to work. The cost of this checkup will be borne by the School District.

12.8

A. Employees will be paid 1/3 of accumulated sick leave days and personal days upon their retirement, 1/2 upon death and 1/4 upon resignation. Retirement shall be defined to mean an employee who is eligible to commence receiving and submits documentation that he/she will actually receive pension benefits from the Michigan School Employees Retirement Fund within thirty (30) days following termination of employment.

B. Options for payout of terminal pay

- a. Employee Elective Deferral of Termination Pay The Employee may choose to receive Termination Pay in cash compensation or to defer such Pay to a §403(b) account selected by the employee. Such Employee must sever employment with the Employer during the contract year and be eligible to apply for and commence their retirement from the state sponsored retirement system. The compensation shall equal the accumulated leave days (Termination Pay) benefit which is specified in this section of the Collective Bargaining Agreement. The Employer shall deposit the deferral no later than 2 ½ months or the end of the calendar year, whichever is longer, following the employee's severance date.
- b. Cash Option Each employee may receive cash in lieu of or as an alternative to any of the Benefits described in this section.
- c. Contribution Limitations In any application year, the maximum Employee Elective Deferral shall not cause an employee's §403(b) account to exceed the applicable contribution limit under §402(g) of the Internal Revenue Code of 1986, as amended (the "Code"), as adjusted for cost-of-living increases.
- d. §403(b) Accounts Employee deferrals shall be deposited into the §403(b) account selected by the employee to receive Employee Elective Deferrals.
- e. This Article shall be subject to IRS regulations and rulings. Should any portion be declared contrary to law, then such portion shall not be deemed

valid and subsisting, but all other portions shall continue in full force and effect. As those portions declared contrary to law, the Association and Employer shall promptly meet and alter those portions in order to provide the same or similar benefit(s) which conform, as close as possible, to the original intent of the parties.

- 12.9 An employee who is absent for five (5) consecutive work days may be required to submit a physician's statement, at the employee's expense, verifying the illness or disability. The School District may require additional medical statements, at the employee's expense, on a monthly basis. Before returning to work, an employee shall be required to submit a physician's statement, at the employee's expense, certifying the employee's ability to return to his/her normal duties.
- 12.10 Upon notice to the Union, the School District may require an employee to be examined by a District- appointed hospital, physician, or other trained professional, to determine if the employee is disabled or ill.

In addition to the employee authorizing such examinations as the physician or professional deems necessary, the employee shall permit any School District- appointed physician or professional to secure copies of his/her pertinent medical records.

- 36.3 When a regular van driver is off, a seniority employee will be able to fill in on the van job on a rotating basis, as long as they have the proper qualifications. The employee called will work that job for the duration of the absence. When an employee moves to the van job, they shall receive that rate of pay.
- 36.4 Sick day accumulation will be at the rate of the move up position after 15 days in the position. These accumulated days will be at the employees' regular rate of pay. During the duration of the move up, holidays will be paid at the move up position rate if the employee has worked 15 consecutive days.
