##### Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:

(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

A pause to in-person learning was enacted on November 16 for all grades due to a high number of local positive Covid cases and quarantines for staff and students that impacted the ability to conduct in-person learning. During this time, MDHHS implemented an order requiring grades 9-12 instruction to be conducted in a virtual remote format. This order extends through December 20. In-person learning resumed for grades Y5-8 on December 7. Y5-5th grade returned to 5-day in-person instruction and grades K-6 returned to Hybrid instruction. Grades Y5-12 will return to 5-day in-person learning on January 4 for grades Y5-8, and grades 9-12 will return to 4 days in-person instruction with Wednesday remote virtual instruction provided there is no extension to the current MDHHS order.
