

Washington Elementary School

December 2020 Updates

Washington School Mission Statement

At Washington Elementary School, we foster a student-centered community where all students are inspired to discover their own passions, accept and appreciate the differences in one another, and make reflective and responsible choices that will make the world a better place.

A Note From the Office - Mrs. Scammacca, Guidance Counselor

Our Leadership Resource for "Put first things first" includes everything you need to engage in virtual as well as hands-on activities with your child---a recorded lesson, a carefully selected virtual reading room, a sorting game, an activity to help Mrs. Schlatter sort out her day, and a craft to cut, color, and paste. Upon completion there is even a Leadership certificate to print for your child!

Programs developed by Edison HS students

Quarantine Fun

Developed by Pari Agarwal, JP Stevens High School

This project focuses on the **mental and physical health wellness of elementary school children** (age group 5-10 yrs). This program hosts many **free**, captivating activities such as dance, craft, games, discussions, talent shows, no stove cooking, and more holiday-based events that encourage personality development and give children a virtual environment to engage themselves in.

WOLF - Women on Leading the Future (girls grades 3-5)

Developed by a group of students at JP Stevens High School

Over the past summer, a team of 13 girls at John P. Stevens High School developed *WOLF Leadership Camp*: a comprehensive online leadership program for young girls. At *WOLF*, our mission is to teach girls from a young age how to express their unique ideas in fields dominated by males, developing everything from their public speaking skills to networking and preparation for real-world encounters to ensure that they can be a part of the next generation of leaders.
