

GIFTS AND PARTIES SNACKS AND TREATS

Deliveries of flowers, balloons or other types of gifts will not be made to the classroom. Students will be called down to the office at the end of the school day to pick up their items. **NO LATEX BALLOONS ARE ALLOWED.** Please be advised that balloons are not allowed on the school bus.

If your child is celebrating a party at home and would like to invite classmates, please send the invitations via US mail. Distributing invitations at school can create disruption in the classroom and cause hurt feelings for those who may not be included.

Typically there are three classroom celebrations during the year. Teachers plan their classroom events individually. When providing a snack for students, please make healthy choices. Healthy snacks, including birthday treats, are required. No homemade snacks are allowed - all items must be commercially packaged. Parents wishing to provide birthday snacks for their children may choose one of the recommended snacks or can choose non-food items to send in celebration of your child's special day.

Some examples of healthy snacks are:

Cheese sticks

Freeze-dried fruit

Fresh fruit

Raisins

Yogurt

Applesauce

Granola bars
