- Julie Revello - D27 Director of Special Education

Overview of High School Placement Process

- Wood Oaks teacher input
- GBN/WO articulation meetings
- Special Education articulations
- Placements mailed home
- Course levels
- Course registration at GBN
- Overall timeline

Wood Oaks Input

- Grades in Respective Coursework
- Independent Work Habits
- Self-Advocacy Skills
- In-Class Contributions
- Problem Solving/Critical Thinking Skills

Articulation Meetings

- Held in each Curricular Area
- Instructional Specialist (IS) and WO Teachers
- IS Brings Knowledge of Course Expectations
- WO Teacher Brings Grades and Knowledge of Students
- Discuss each WO Student, One by One, to Determine Proper Freshman Placement
- Ultimate Decision is Made by GBN

Special Education Articulation Meetings

- Students with **IEP's** and **504 plans** will have individual articulation meetings at GBN.
- Meetings will be scheduled by Karen Johnson (Special Education Administrative Assistant).
- Meetings will take place at the end of January and go through March if needed.
- Each meeting will be about one hour in length.
- The case manager will prep your child in advance of the articulation meeting

Special Education Articulation Meetings

- It is important that students and parents attend and participate.
- Parents will be asked to complete a transition questionnaire prior to the articulation meeting.
- Students will complete a transition questionnaire and short autobiography at school.
- Special Education staff from Wood Oaks along with appropriate staff from GBN will attend these meetings.

Special Education Articulation Meetings

The articulation meeting will focus on:

- The student's plans post high school
- Review of current academic/functional performance
- Review of goals and accommodations
- Recommended special education supports and services

NOTE: Special education services will likely look similar to services the student is receiving at Wood Oaks - resource support, small group classes, etc.

Course Placements Emailed Home

- Parents will receive an email with the freshman level course placements on Friday, January 15, 2021
- This is not a schedule, but just level placements for leveled classes
- If parent/student disagrees with any placement, there will be a link on that email to enter a placement challenge
 - Challenges are coordinated by the IS in that academic area
 - A challenge will likely involve a test in that subject
 - You may challenge to a lower level as well
 - Challenges must be filed by stated deadline
- Once placements are emailed home, only GBN can change that placement. Point of contact would be the I.S. for that subject

GBN Course Naming Conventions

- Academy - Separate application process includes writing sample and interview.
 - Informational meeting held in December
 - Covers English, World Studies, and World Language (German)
 - Classes held at GBN and GBS
