CREATE AWAY is a digital after school program

held over Zoom where elementary-aged students can connect with others, socialize with peers, and flex their creative skills under the guidance of our Arts Instructors who specialize in various visual, performing, and digital arts mediums. The goal of Create Away is to give students a supportive virtual environment to come together, have fun, and foster creative expression from home.

This spring, Create Away will run from 3:30pm to 5:30pm, Monday through Thursday. 5-year-olds may register if enrolled in kindergarten. Create Away lesson plans are based on TEKS (Texas Education Knowledge and Skills) in the arts. This program will be free but will require registration and a completed waiver to attend. A basic supply kit will be provided.
