

REMOTE LEARNER INSTRUCTIONS: GOOGLE MEET

Primary Grades (Prek-2nd)

Logging into Google Meet on School-Assigned Devices

For School-Assigned iPads:

1. Students/Parents must click on the Google Meet app to access it on the iPad.
2. Each student's school Google account has been entered in on their iPad, so there is no need to login to Google.
3. Click on the Google Meet app.
4. Once you are in the app, the Google Meet for your son's class will be listed (see example below). Click on the link to enter the class.
5. We ask students to mute themselves upon entering the meet until the teacher instructs them otherwise.

Logging into Google Meet on Personal Devices

For Home Mobile Devices:

1. Download or go to the Google Meet app ([IOS](#), [Android](#)).
2. Once the app opens up, make sure to log out of any personal gmail accounts.
3. Sign in using your son's school Google email account. All email accounts are the students' first initial, last name, their graduation year and @wildcatmail.org. (i.e. jdoe2025@wildcatmail.org)
4. Once you are signed into the iPad with your son's account, the Google Meet for your son's class will automatically be listed. Click on the link to enter the class.
5. We ask students to mute themselves upon entering the meet until the teacher instructs them otherwise.
